## ASSIGNMENT

WHEREAS, Peter Usov, having a mailing address at 924 Cain Ct., Belle Mead, NJ 08502 (hereinafter "the Assignor"), is one of the joint inventors to the United States Design Patent Application entitled MANDIBULAR C-CLAMP; and

WHEREAS, Albert Davydov (hereinafter "the Assignee"), another joint owner of the above-named patent having a mailing address at 109-33 71st Road, Apt. 11B, Forest Hills, NY 11375, is desirous of acquiring the entire right, title and interest in and to said Patent Application and the inventions and designs described therein, and each and every patent that can be issued on said inventions and designs in the United States of America and its territories and possessions, and in all countries foreign to the United States of America;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for and in consideration of One Dollar (\$1.00), in hand paid, and of other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign, transfer, and set over unto the Assignee the entire full and exclusive right, title, and interest in and to the aforesaid Patent Application, including all continuations, continuations-in-part, reissues and reexaminations thereof; the aforesaid inventions, designs and/or improvements; and each and every Patent that may be issued on the aforesaid inventions and designs, in the United States of America and its territories and possessions and also in all countries foreign to the United States of America, including all treaty and convention rights and the right to sue for present, past, and future infringement, the same to be held and enjoyed by said Assignee, its successors, assigns, or other legal representatives, to the full ends of the terms for which all Letters Patents therefor may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor and sale had not been made. All parties agree that the

consideration received by the Assignor is adequate and no additional future consideration will be required in connection with this Assignment.

Assignor hereby authorizes the Assignee and its successors to make application for and to receive Letters Patent for said inventions in any of said countries at its election. And by this covenant the Assignor will execute or procure any further necessary assurance of title to said invention and Letters Patent; and at any time, upon the request and at the expense of said Assignee, will execute and deliver any and all papers that may be necessary or desirable to perfect the title to said inventions or any Letters Patents which may be granted therefor in said Assignee, its successors, assigns or other legal representatives. The Commissioner for Patents is hereby authorized and requested to issue any and all Letters Patent of the United States for said invention to said Assignee.

IN WITNESS WHEREOF, Assignor has executed this document on the date indicated below.
