## PATENT ASSIGNMENT

This Patent Assignment (hereinafter referred to as "Assignment") is by and between **BINGIDIMI ITUTE MOBELE** (hereinafter "Inventor"), **RONDAXE PHARMA, LLC**, having its principal place of business at 6443 Ridings Rd, Syracuse, NY 13206 (hereinafter referred to as "Rondaxe") and **VELICEPT THERAPEUTICS, INC.**, having an address at 101 Lindenwood Drive, Suite 400, Malvern, PA 19355 (hereinafter referred to as "Assignee").

WHEREAS, Inventor was identified as an inventor of a certain new and useful invention as set forth and disclosed in the applications listed in Schedule A attached hereto (hereinafter referred to as the "Invention");

WHEREAS, Assignee is desirous of acquiring the entire right, title and interest in and to said Invention and in and to any and all Letters Patent of the United States and foreign countries that may be obtained therefor;

WHEREAS, Inventor conveyed to his employer, Rondaxe, all of Inventor's right, title and interest in the Invention pursuant to Inventor's obligations under an employment agreement between Inventor and Rondaxe;

WHEREAS, Rondaxe and Assignee have entered into a certain Consulting Services Agreement dated August 10, 2016 (hereinafter referred to as the "Consulting Services Agreement") pursuant to which Rondaxe conveyed to Assignee all of Rondaxe's right, title and interest in and to the Invention; and

WHEREAS, the parties desire to effectuate and confirm such assignment of the Invention pursuant to the terms and conditions set forth herein.

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, the parties represent covenant and agree as follows:

**1. Assignment.**

Inventor does hereby confirm Inventor's previous assignment, pursuant to his employment by Rondaxe, and does hereby sell, assign, transfer and set over unto Rondaxe, its legal representatives, successors, and assigns, Inventor's entire right, title and interest in and to said Invention as set forth in the scheduled application(s), including any applications which claim priority to the scheduled application(s), any application(s) to which the scheduled application(s) claim priority, and any continuations, continuations-in-part, divisions, registrations, reissues, re-examinations or extensions thereof, whether in the U.S. or any foreign country, and in and to any and all patents of the United States and foreign countries which may be issued for said Invention; AND for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Inventor does hereby sell, assign, transfer and set over unto Rondaxe, its legal representatives, successors, and assigns all rights to claim priority rights deriving from the Invention and scheduled application(s); all causes of action and remedies related to the Invention and

scheduled application(s) (including, without limitation, the right to sue for past, present, or future infringement, misappropriate or violation of rights related to any of the foregoing and the right to collect royalties and other payments under or on account of any of the foregoing); and any and all other rights and interests arising out of, in connection with, or in relation to the Invention and scheduled application(s).

Pursuant to the Consulting Services Agreement, Rondaxe hereby sells, assigns, transfers and sets over unto Assignee, its legal representatives, successors, and assigns, Rondaxe's entire right, title and interest in and to said Invention as set forth in the scheduled application(s), including any applications which claim priority to the scheduled application(s), any application(s) to which the scheduled application(s) claim priority, and any continuations, continuations-in-part, divisions, registrations, reissues, re-examinations or extensions thereof, whether in the U.S. or any foreign country, and in and to any and all patents of the United States and foreign countries which may be issued for said Invention; AND for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Rondaxe does hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors, and assigns all rights to claim priority rights deriving from the Invention and scheduled application(s); all causes of action and remedies related to the Invention and scheduled application(s) (including, without limitation, the right to sue for past, present, or future infringement, misappropriate or violation of rights related to any of the foregoing and the right to collect royalties and other payments under or on account of any of the foregoing); and any and all other rights and interests arising out of, in connection with, or in relation to the Invention and scheduled application(s).

**2. Acceptance by Assignee.** Assignee hereby accepts the rights and properties hereby assigned and transferred to it herein.

**3. Cooperation.** Inventor and Rondaxe shall not execute any writing or do any act whatsoever conflicting with the terms and conditions of this Assignment, and will, at any time upon request by Assignee, without further or additional consideration, but at the expense of said Assignee, execute, acknowledge and deliver such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for or obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said Invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any and all proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits.

**4. Binding Assignment.** This Assignment shall be binding upon and inure to the benefit of each of the parties hereto, their successors and assigns.

**5. Modification.** The undersigned hereby grant(s) the firm of PEPPER HAMILTON LLP the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in

order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

**6. Patents Issued to Assignee.** The undersigned requests that any patent(s) that may be issued for said Invention be issued to said Assignee, its legal representatives, successors or assigns, as an owner of the entire right, title, and interest in and to said patent(s) and the Invention covered thereby.
