WHEREAS, JIANGSU SHENMA ELECTRIC CO., LTD., having its principal place of business at Room 1467, 3rd Building, Jiangcheng Research and Development Park, No. 1088 Jiangcheng Road, Su-tong Science and Technology Park, Nantong Economic and Technological Development Area, Nantong, Jiangsu 226017, China (hereinafter called the "Assignee") is desirous of acquiring their entire rights, title and interests in and to PCT Patent Application titled SHED HOUSING and having Serial No. PCT/CN2017/114623 and filing date of December 5, 2017, including all inventions disclosed therein, and in, to and under any and all Letters Patent to be obtained therefore,

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the Assignee, its successors and assigns, their entire rights, title and interests in and to said application (including all inventions disclosed therein) and all Letters Patent, both foreign and domestic, including all nonprovisional, continuation, divisional, reissue, and reexamination applications, that may or shall issue, including all rights under the International Convention, and we do hereby authorize and request the Commissioner for Patents to issue said Letters Patent to the above-mentioned Assignee in accordance herewith.

Assignors further authorize said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name, if desired, in any and all foreign countries, and additionally to claim the filing date of said United States Application and/or otherwise take advantage of the provisions of the International Convention.

Assignors do hereby covenant and agree with the said Assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will, at any time upon request, without further or additional consideration, but at the expense of said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, nonprovisional, divisional, continuation, reissued, or extended Letters Patent of the United States, or of any and all foreign countries on said invention(s), and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In Witness Whereof, we have hereunto signed our names on the date(s) set forth below.
