ASSIGNMENT OF PATENT APPLICATION

WHEREAS, I, Chad James, a citizen of the United States of America and a resident of the State of South Carolina, whose address is 1101 N. Main Street, Greenville, SC 29609 and have invented certain improvements in an invention entitled POWER INVERTER by and for which a patent is sought.

WHEREAS, International Specialty Services, Inc. a limited liability corporation organized under the laws of the State of South Carolina, having a mailing address of P.O. Box 1184, Travelers Rest, South Carolina 29690 desires to acquire the entire right, title and interest in the same.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I assign and transfer unto International Specialty Services, Inc., the exclusive right, title and interest in the United States and the world in and to the invention; the above identified applications; any patent which may issue on the applications; and, for either the applications or patents, any renewal, reissue, division, continuation, or continuation-in-part, including all rights to claim priority under all United States domestic laws, International Convention(s) and Treaties in the name of Assignee and do hereby authorize Assignee or its designee to the Application No. \_\_\_\_\_, filed on \_\_\_\_\_ in the United States of America on which the claim for priority will be based; and in and to any Letters Patent that may be issued for the invention in any and all countries.

I bind myself, my heirs, legal representatives, administrators and assigns to properly execute without further consideration, any and all applications, petitions, oaths and assignments, or other papers and instruments, which may be necessary in order to carry into full force and effect this assignment and transfer made or intended to be made.

I do hereby agree to assist Assignee in the prosecution of the application(s) and in any interference, conflict, opposition or litigation which may arise involving the invention or the patent or patents thereon, and to execute for any and all countries any

document relating to applications derived from, corresponding to or equivalent to the above identified application(s) as Assignee may request; and I do hereby authorize Assignee or its designee (or nominee(s)) to insert here any corresponding equivalent Application No. \_\_\_\_\_ Filing Date \_\_\_\_\_ in the country \_\_\_\_\_ to the above Priority application of any country where that country's patent property must be identified and entered hereinabove for recordal of this Assignment.

I authorize Assignee or its designee to translate this Assignment into all languages necessary; and I request that any such Letters Patent be issued to Assignee; and consent to the recordal of this Assignment, or a Notarial True Copy thereof, being under covenant not only that I have full power to make the same, but also that such assigned rights are not encumbered by any grant, license, or other right heretofore given.

IN WITNESS THEREOF, I have hereunto set my hands and seals the on the date indicated.
