and for which a nonprovisional application was filed in the United States Patent and Trademark Office on April 27, 2016, and assigned Serial No. 15/139,631; and

WHEREAS, Vortex Intellectual Property Holding LLC of 235 Lincoln Road, Suite 306, Miami Beach, Florida 33139 (hereinafter referred to as the "Assignee"), is desirous of obtaining my entire right, title and interest in, to and under U.S. nonprovisional application Ser. No. 15/139,631 and the inventions disclosed therein, to the extent not already assigned to the Assignee by virtue of an assignment of U.S. patent application Ser. No. 14/673,186 filed March 30, 2015 which was recorded at Reel 039127, Frame 0926;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me, and/or other good and valuable consideration, the receipt of which is hereby acknowledged, I, the Assignor, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention and the U.S. nonprovisional application, and divisionals, reissues, renewals and continuations thereof, and all patents of the United States which may be granted thereon and all reissues and extensions thereof, and all applications for industrial property protection, including, without limitation, all applications for patents, utility models and designs which may hereafter be filed for the invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the U.S. provisional application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for the invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and

I HEREBY authorize and request the Commissioner for Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument; and

I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith; and

I HEREBY further covenant and agree that I will communicate to the Assignee, its successors, legal representatives and assigns, any facts known to me respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all nonprovisional, divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

IN TESTIMONY WHEREOF, I am signing below and providing the day and year opposite my signature.

Cyril Hour
