PCT/US2017/060723	November 8, 2017	System For Keyless Activation, Engagement, And Monitoring Of Vehicles

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell and assign unto the said Electronixiq Inc., its successors and assigns, my entire right, title and interest in and to the said invention and in and to the said application(s) and all patents which may be granted therefor, including all divisions, reissues, substitutions, continuations, and extensions thereof which are not identified above; and I hereby authorize and request the Patent and Trademark Office to issue all patents for said invention, or patents resulting therefrom, to the said Electronixiq Inc., as assignee of my entire right, title and interest.

I also hereby sell and assign to Electronixiq Inc., its successors and assigns, my corresponding rights to the invention disclosed in said application in all other countries of the world, including the right to claim priority, file applications and obtain patents under the terms of the Paris Convention for the Protection of Industrial Property, and further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such rights.

I hereby further agree that I will communicate to said Electronixiq Inc., or to its successors, assigns, and legal representatives, any facts known to me respecting said invention, and at the expense of said assignee company, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid said Electronixiq Inc., its successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

I authorize the later insertion of a corresponding application related to this invention within this document.

IN WITNESS WHEREOF, I hereunto set hand and seal this day and year;
