THIS ASSIGNMENT, made by me, **John Tyler Willis Hagler**, residing in Chapel Hill, North Carolina;

WITNESSETH: That,

WHEREAS, I am one of the joint inventors of certain new and useful improvements in **APPARATUS AND KITS FOR FLUID INFUSION** for which International Patent Application No. **PCT/US2016/019167** was filed on February 23, 2016, in the United States Patent and Trademark Office as the International Receiving Office; and

WHEREAS, **Studio Hagler LLC dba Trig Innovation**, a North Carolina corporation having a principal place of business at 510 Meadowmount Village Circle, Suite 140, Chapel Hill, North Carolina, 27517, hereinafter referred to as Assignee, is my employer and/or was my employer at the time of my contribution to the said application and invention(s) described therein;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and/or by these presents do hereby sell, assign, transfer and convey unto the said Assignee, its successors and assigns, my right, title, and interest in and to the said invention(s) and application, and in and to any and all subsequent patent applications which claim the benefit of priority from said application including continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.
