ASSIGNMENT

IN CONSIDERATION OF TEN DOLLARS (\$10.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, Graeme Gordon, ("ASSIGNOR"), being sole inventor and having made inventions in Secure Storage Device while in association with SneakGuard LLC, a company organized and existing under the laws of the State of Florida, with a mailing address of 1228 East 7th Avenue, Suite 200, Tampa, Florida 33605 (sometimes hereinafter called "ASSIGNEE"), do hereby ASSIGN, SELL and CONVEY to said ASSIGNEE, its successors and assigns, the entire right, title and interest throughout the world in and to:

1. Said inventions in Secure Storage Device;
2. United States of America non-provisional patent application on said invention, filed as U.S. Patent Application Serial No. 15/227,725 on August 3, 2016 (Attorney's File No. 2583.0001), entitled Secure Storage Device; United States of America continuation-in-part patent application on said invention, filed as U.S. Patent Application Serial No. 15/860,968 on January 2, 2018 (Attorney's File No. 2583.0002), entitled Secure Storage Device;
3. All applications for patent or like protection on said inventions that have now been or may in the future be made by me or my legal representatives, including any non-provisional, divisional, continuation, continuation-in-part and any other utility applications that may be based on these inventions, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said inventions to me or my legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitations, those obtained or permissible under past, present and future law and statutes;

6. All rights of action on account of past, present and future unauthorized use of said inventions for infringement of said patents and like protection;
7. The right to ASSIGNEE to file in its name applications for patents and like protection for said inventions in the United States and in any country or countries foreign to the United States; and
8. All international rights of priority associated with said inventions, applications, patents and like protection;

and I covenant that I, my heirs, legal representatives, assigns, administrators, and executors will at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.
