ASSIGNMENT

WHEREAS we the below named inventors, Stefan KELLER and Helmut SCHÜTT (hereinafter referred to individually and collectively as ASSIGNOR), are the original, and first and joint inventors, of the invention entitled:

FASTENING ELEMENT FOR WORKSTATION ACCESSORIES, MOUNTING SYSTEM AND FURNITURE SYSTEM

which was filed in the United States on 17 October 2017 as United States Application Serial No. 15/786,296, and which claims priority to EP Application No. 16194813.8, filed 20 October 2016.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the ASSIGNOR hereby:

Agrees to sell, assign, transfer, and convey, and hereby do sell, assign, transfer, and convey to Vitra Patente AG having a business address at Klünenfeldstrasse 22, 4127 Birsfelden, Switzerland (hereinafter referred to as ASSIGNEE), the entire right, title, and interest in and to (a) any intellectual property (including without limitation any innovation, information, invention, discovery, product, process, work, copyright, or design) disclosed, embodied, affixed, shown, or claimed in the above-referenced patent application, implicitly or explicitly; (b) the above-referenced patent application, any application based in whole or in part upon the above-referenced patent application, and any application claiming priority to the above-referenced patent application (including without limitation any continuation, continuation-in-part, reissue, reexamination, or foreign patent application based in whole or in part on the above-referenced patent application or claiming priority to the above-referenced patent application); and (c) any Patent (including without limitation domestic and foreign patents, utility models, industrial designs, divisional, reissues, and reexaminations) that is granted or issued upon, or that claims priority to, any and all applications under (b) of this paragraph or that discloses or claims intellectual property under (a) of this paragraph, in whole or in part.

Authorizes and requests the Commissioner of Patents and Trademarks of the United States and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications, to issue said application (including without limitation any division(s), continuation(s) (in whole or in part), substitute(s), or reissue(s) thereof) to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

Agrees to execute all papers and documents, including without limitation applications, declarations, oaths, petitions, and other papers, and entirely at the ASSIGNEE'S expense, perform any acts which are necessary in connection with the prosecution of patent applications or intellectual property and/or the enforcement of patents or other rights resulting from such applications or intellectual property.

Covenants and agrees that Assignor has full right to convey the entire interest herein assigned, and that Assignor has not executed, and will not execute, any agreement in conflict herewith.

Further covenants and agrees that Assignor will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to Assignor respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

Grants all attorneys associated with Customer Number 56719 power to insert in this assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

IN WITNESS WHEREOF, executed by the undersigned inventor on the date opposite his/her name.
