## **Invention and Patent Application Assignment**

WHEREAS, I, James Touchstone of Valrico, Florida ("Assignor"), have invented new and useful improvements in:

### **TOOLING SPOON HOLSTER**

for which an application for United States Letters Patent was filed on 1/19/2018, and assigned U.S. Patent Application Serial No. 29/634,208 ("Patent Application").

WHEREAS, TBC Construction Products, LLC of 3454 Hyde Park Drive, Clearwater, Florida 33761 ("Assignee"), desires to acquire the entire right, title and interest in and to the aforesaid invention throughout the world, and in, to, and under any and all Letters Patent of the United States and elsewhere;

WHEREAS, Assignor warrants that there are no outstanding assignments, grants, liens, encumbrances, or agreements either written, oral, or implied with respect to Patent Application or invention that will impair, diminish, limit, or abridge the interest herein conveyed at the time of the execution of this instrument by me.

NOW, THEREFORE, for valuable consideration, the receipt of which is acknowledged, Assignor assigns to Assignee full, title, right, and interest in the invention and Patent Application (as well as such rights in any divisions, continuations in whole or part or substitute applications, reissues, reexaminations) to Assignee for the entire term of the issued Patent and any reissues or extensions that may be granted and for the entire terms of any and all foreign patents that may issue from foreign applications (as well as divisions, continuations in whole or part or substitute applications, reissues, reexaminations) filed claiming the benefit of the Patent Application.

Assignor authorizes the United States Patent and Trademark Office to issue any Patents resulting from the Patent Application to Assignee.

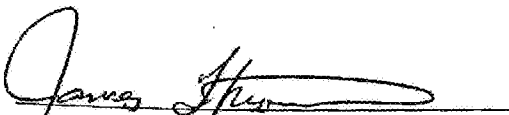

Assignor further agrees, without any payment by said Assignee, other than expenses incurred by Assignor, to communicate to said Assignee, its representatives or agents, any facts relating to the invention, including evidence for interference purposes or for other proceedings, whenever requested; and to execute and deliver on request, all lawful papers required to make any of the foregoing provisions effective, and likewise to make these provisions binding upon my heirs, legal representatives, administrators, or assigns.

Assignor hereby grants the Assignee and its duly authorized representatives the power to insert on this document any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, and any equivalent foreign office, for recordation of this agreement.

The above whereas clauses are incorporated as terms into this Assignment.
