**CONFIRMATORY ASSIGNMENT**

WHEREAS, **TRITON SYSTEMS, INC.**, having an address of 200 Turnpike Road, Chelmsford, MA 01824, hereinafter also referred to as the Assignor, is owner of U.S. Patent No. 8,784,978 entitled MULTILAYER FLAME RETARDANT BARRIER FILMS AND FABRICS which issued on July 22, 2014, and to any patent application(s) corresponding thereto, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries.

WHEREAS, **LAUNCHBAY, LLC**, having an address of 27 Ireta Road, Shrewsbury, MA 01545, hereinafter referred to as the Assignee, is desirous of acquiring Assignor's entire right, title and interest in and to said inventions or improvements and in and to said U.S. Patent No. 8,784,978 and to any patent application(s) corresponding thereto, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries.

NOW, THEREFORE, and in exchange for valuable consideration from said Assignee, the receipt of which is hereby acknowledged, as set forth in the Asset Purchase Agreement dated May 9, 2016, and intending to be bound, said Assignor has sold, assigned, transferred and set over, effective as of **May 9, 2016** and by these presents do hereby sell, assign, transfer and set over to said Assignee, the entire right, title and interest, including the right to sue for past infringement, in and to said inventions or improvements and said application and any and all corresponding patent application(s) and continuations, divisions and renewals of and substitutes for said corresponding patent application(s), and in, to and under any and all Letters Patent which may be granted on or as a result thereof in the United States and any and all other countries, and any reissue or reissues or extension or extensions of said Letters Patent, and assign to and authorize said assignee, to file in our names corresponding patent applications for Letters Patent in all countries, the same to be held and enjoyed by said Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us had this assignment, sale and transfer not been made.

AND Assignor hereby covenants that it has full right to convey its entire interest herein assigned, and that it has not executed and will not execute any agreement in conflict herewith, and further covenants and agrees that each time request is made and without undue delay, Assignor will execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application and said corresponding patent application(s) and said Letters Patent to said Assignee, its successors, assigns, nominees, or legal representatives, and further agrees to communicate to said Assignee or to its nominee all known facts respecting said inventions or improvements, said application, said corresponding patent application(s) and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid said assignee, its

successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said inventions or improvements in any and all countries;

AND we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on any applications as aforesaid, to issue to said Assignee, as Assignee of the entire right, title and interest, any and all Letters Patent for said inventions or improvements, including any and all Letters Patent of the United States which may be issued and granted on or as a result of any corresponding patent application(s) aforesaid, in accordance with the terms of this Assignment.

AND this Assignment may be executed in multiple counterparts, each of which shall be deemed to be an original of this Assignment. Additionally, we hereby authorize our attorneys to collect the signature pages of each executed counterpart and to attach those signature pages to a single copy of this instrument, which single copy and attached signature pages together shall constitute an original of this Assignment.

IN WITNESS WHEREOF, we have hereunto set our hands.
