For valuable consideration, receipt of which is hereby acknowledged, I Christopher L. Edwards, of 18 Sheafe Road, Wappingers Falls, NY 12590 (hereinafter called "Assignor"); hereby assigns to GENERAL TOOLS & INSTRUMENTS COMPANY LLC, a corporation of New York, having a place of business at 80 White Street, New York, NY 10013, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are subject of United States Patent Application 13/218,922, filed August 26, 2011, signed by me on August 26, 2011 and entitled

SLIDING T BEVEL WITH DIGITAL READOUT

this assignment, including said application, and any and all continuations, continuations-in-part, and divisional applications, and any and all United States and foreign patents (including reissues, reexaminations, extensions), utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing dates of said applications under the Patent Laws (35 USC) of the United States, the laws of the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and

Assignor hereby authorizes the Assignee to apply in all countries in his names or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and

Assignor agrees for himself and his respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment, which is effective as of the respective filing date of each of the above-identified applications or the filing date of any application the above-identified

applications claims the benefit of; and

ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all United States Letters Patents emanating from any of said applications to said ASSIGNEE.

I declare under penalty of perjury under the laws of the United States of America that I have signed this document as my own free act and that all of the foregoing is true and correct.
