THIS ASSIGNMENT, EFFECTIVE the 5th day of May, 2005, by EarthRenew Organics Ltd., a corporation duly organized under and pursuant to the laws of Alberta, and doing business at 101 - 5740 - 2nd Street, SW, Calgary, Alberta Canada T2H 1Y6 (hereinafter referred to as "the Assignor"), witnesseth:

WHEREAS, the Assignor is the owner by assignment of the inventors of the entire right and interest in certain new and useful inventions and improvements in the following inventions, as set forth in at least the following application for Letters Patent of the United States,

- (1) US Serial No 10/894,645 filed July 19, 2004 for Apparatus and Process for Manufacture of Fertilizer
- (2) US Serial No 10/895,030 filed July 19, 2004 for Apparatus and Process for Waste Conversion
- (3) US Serial No 10/894,875 filed July 19, 2004 for Gas Turbine Control System

WHEREAS, EarthRenew, Inc. a corporation duly organized under and pursuant to the laws of California, and doing business at 107 San Pedro Rd, Half Moon Bay, California 94019 United States (hereinafter referred to as "the Assignee"), is desirous of acquiring, the entire right, title, and interest in and to said inventions and improvements thereof in the United States, including the right to file United States applications on said inventions and improvements thereof, and the entire right, title and interest in and to any applications, including provisional applications for Letters Patent of the United States claiming priority to said applications, and in and to any Letters Patent or Patents, United States, to be obtained therefor and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto the Assignee, its successors, legal representatives, and assigns, subject to said retained rights, the entire right, title, and interest in and to the above-mentioned inventions and improvements thereof, the entire right to file applications on said inventions and improvements thereof, and the entire right, title and interest in and to any applications for Letters Patent of the United States claiming priority to any of said applications, and any and all Letters Patent or Patents of the United States of America that may be granted therefor and thereon, and in and to any and all applications claiming priority to said applications, divisions, continuations, and continuations-in-part of said applications, and reissues and extensions of said Letters Patent or Patents, all rights in the United States of America under the International Convention for the Protection of Industrial Property, and all rights in the United States under the Patent Cooperation Treaty to all national applications for Letters Patent of the United States claiming priority to any of said applications, and any and all Letters Patent or Patents of the United States of America that may be granted therefor and thereon, the same to be held and enjoyed by the Assignee, for its own use and behoof and the use and behoof of its successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, the Assignor is the sole and lawful owner, subject to said retained rights, of the entire right, title, and interest in and to the inventions set forth in said applications and improvements thereof, and said applications, including provisional applications, above-mentioned, and that the same are unencumbered, and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns that the Assignor will, whenever counsel of
