ASSIGNMENT

WHEREAS, Steven Tyler BROWN (hereinafter "BROWN"), a citizen of Canada whose full post office address is 4 Harvest Park Way NE, Calgary, Alberta, T3K 4H9, Canada, is the owner of the invention and design entitled:

HAND-HELD FLUID-SUBSTANCE APPLICATOR

(hereinafter referred to as the "INVENTION") for which patent and design applications have been filed in the Canadian Intellectual Property Office, the United States Patent and Trademark Office, the European Union Intellectual Property Office, and in Intellectual Property (IP) Australia;

AND WHEREAS BROWN wishes to confirm having assigned all his rights in the INVENTION to MATHBLOK VENTURES INC. (hereinafter referred to as "MATHBLOK") whose full post office address is 4 Harvest Park Way NE, Calgary, Alberta, T3K 4H9, Canada, pursuant to a Binding Letter of Intent and an Assignment Agreement, both being effective November 11, 2016;

AND WHEREAS, the serial numbers and filing dates of the Canadian, United States, European and Australian design and patent applications, are currently as follows:

Canadian Industrial Design Application No.:	171562
Filing Date:	November
10, 2016

Registration Date:	July 20, 2017

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the aforesaid BROWN:

Do hereby sell, assign and transfer, and do confirm the sale, assignment and transfer, of all my right, title and interest for Canada, the United States of America, Europe, Australia, and all other countries foreign thereto, to MATHBLOK, in and to the said INVENTION, the said

invention and design, as described in the aforesaid said United States, Canadian, European, and Australian applications and registrations, said invention, said design, said applications, any other applications for Letters Patent or design protection for said INVENTION including any regular applications, continuations, continuations in part, divisionals and reissue applications and all Letters Patent and design registrations issuing from such applications, the right to claim priority from said United States applications, Canadian applications, European application, and Australian applications, to be held and enjoyed by MATBLOK, and for their legal representatives, to the full end of the term for which said Letters Patents and design registrations may be granted, as fully and entirely as the same would have been held by me had this assignment not been made.

I BROWN do hereby sell, assign and transfer, and do confirm the sale, assignment and transfer, of all my right, title and interest to MATBLOK in all present and future copyright, design right, design registrations or design patents and similar such protection in any work or design relating to the INVENTION in Canada, the United States, Europe, Australia, and in any other country or region throughout the world for the remainder of the term during which the said rights and any renewals or extensions shall subsist, and I do hereby waive my moral rights and any similar rights relating thereto.

I undertake to sign such further documents to effect the aforesaid transfer and assignment as may be required from time to time, without reimbursement.

EXECUTED this 2nd day of Nov, 2017.
