PATENT ASSIGNMENT

WHEREAS I, **LAWRENCE HENRY WULFF**, (hereinafter called the "Assignor"), whose full post office address is 3759 Commonage Place, Vernon, British Columbia, Canada, V1T 8M5, am the inventor of certain inventions or improvements described, or described and claimed, in the patents and patent applications set out in Schedule "A" hereto (the said patents and patent applications including, without limitation, all patent applications and patents to which the said patents and patent applications claim priority, being hereinafter individually and collectively referred to as the "Patents");

AND WHEREAS, **LH WULFF HOLDINGS LTD.**, (hereinafter called the "Assignee"), whose full post office address is 3759 Commonage Place, Vernon, British Columbia, Canada, V1T 8M5 is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements, and in and to the said Patents, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries.

NOW THEREFORE, in consideration of the sum of ONE (\$1.00) DOLLAR and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the Assignor, do hereby sell, assign, transfer and set over to the Assignee my entire right, title and interest in and to the said inventions or improvements and said Patents, and any and all applications claiming priority from said Patents, and any and all continuations, continuations-in-part, divisions, renewals of or substitutes for said Patents and corresponding applications, and in, to and under any and all Letters Patent which may be granted on or as a result thereof, and any reissue or reissues of said Letters Patent; and including without limitation, the right to claim priority therefrom, and any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof; and I hereby assign the right to and authorize the Assignee to file and prosecute in my name applications for Letters Patent for said inventions or improvements in Canada, the United States of America, and all other countries, or Patent Cooperation Treaty applications or other regional applications, the same to be held and enjoyed by the Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me, had this assignment, sale and transfer not been made;

AND I hereby covenant that I have the full right to convey the entire interest assigned, and that I have not executed and will not execute any agreement in conflict herewith, and I further covenant and agree that I will, each time request is made by the Assignee and without undue delay or further compensation whether monetarily or otherwise, execute and deliver in a timely manner all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said Patents and said Letters Patent, in the Assignee, its successors, assigns, nominees or legal representatives, and I agree to communicate to the Assignee, or its nominees, all known facts respecting said inventions or improvements, said Patents and said Letters Patent, and without further compensation whether monetarily or otherwise, and in a timely fashion, to testify in any legal proceedings, to sign all lawful papers, to

execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid the Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit, proper patent protection for said inventions or improvements in any and all countries, all at the expense, however, of the Assignee or its successors, assigns, nominees or legal representatives;

AND I hereby authorize and request the Commissioner of Patents of Canada and the United States, and any official of any country or countries foreign to Canada or the United States whose duty it is to issue patents on applications as aforesaid, to issue to the Assignee, as assignee of the entire right, title and interest, any and all Letters Patent for said inventions or improvements, which may be issued and granted on or as a result of the applications aforesaid, in accordance with the terms of this Assignment.

EXECUTED at Vernon, British Columbia, this 10 day of April, 2013.
