### ASSIGNMENT

WHEREAS I, Mark LaFever, am an inventor/co-inventor of an invention that is the subject of a U.S. provisional patent application titled **A DEVICE FOR DISPENSING AND APPLYING A LIQUID**, filed with the United States Patent and Trademark Office on \_\_\_\_\_, as application Serial No. \_\_\_\_\_ (hereinafter the "Application");

I hereby give permission to insert above the serial number and filing date for the Application when it is known.

WHEREAS **ELI LILLY AND COMPANY**, an Indiana corporation having its principal place of business at Lilly Corporate Center, Indianapolis, Indiana 46285, wishes to acquire my entire interest in each and every invention that is the subject of the Application;

NOW, THEREFORE, in consideration of my employment, any agreements related thereto, or other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby assign to **ELI LILLY AND COMPANY**, its successors and assigns (collectively "LILLY") my entire right, title and interest in, to and under the Application, including all priority rights for other countries arising therefrom, all inventions therein disclosed, and any and all present or future patent applications to such inventions that may be filed in any country, inclusive of, but not limited to, continuations, continuations-in-part, divisions, substitutions, reexaminations, reissues, international applications filed under the PCT, United States patent applications, subsequent United States patent applications claiming some or all of this invention, certificates of addition, utility models, petty patents, as well as all other intellectual property related to the Application, inclusive of, but not limited to, supplementary protection certificates; and any related patent term extensions which may be granted for Letters Patent with respect thereto; all of the above to be held and enjoyed by LILLY, its successors and assigns, for their own use and enjoyment to the full end of the term or terms for which such Letters Patent and related intellectual property rights may be granted, as fully and entirely as the same would have been held and enjoyed by me had this Assignment and sale to LILLY not been made.

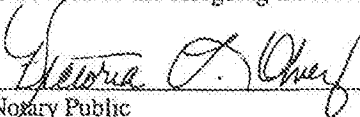

For myself and for my heirs, successors and legal representatives, I covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

For myself and for my heirs, successors and legal representatives, I further covenant and agree with LILLY that upon request I and they will, without further consideration than that now paid, but at the expense of LILLY or its successors or assigns: (i) execute original, provisional, substitute, continuation, divisional, continuation-in-part, reexamined, or reissued applications, amended specifications, or rightful declarations or oaths for such application; (ii) communicate to LILLY or its successors or assigns any facts known to me or them relating to such inventions or the history thereof; (iii) execute preliminary statements and testify in any interference proceedings, litigation discovery proceedings and depositions, oppositions, cancellation proceedings, priority contests, public use proceedings, administrative agency proceedings, litigation and other court actions and the like; (iv) execute and deliver any application papers, affidavits, declarations, assignments, or other instruments; and (v) do all other acts which, in the opinion of counsel for LILLY or its successors or assigns, may be necessary or desirable to secure the grant of Letters Patent and
