ASSIGNMENT

Application No. 29/625,402
Filing Date: November 9, 2017
Patent No.:
Issue Date:

WHEREAS, the undersigned inventors, hereinafter called the "Assignors," have invented a new ornamental design invention for a:

STORAGE CADDY

for which a full description is made in an application for Letters Patent of the United States filed herewith or that was filed with the United States Patent and Trademark Office on the 9th day of November, 2017. The Assignors believe themselves to be the original inventors of the design invention disclosed and claimed in the application for Letters Patent.

WHEREAS, the entity identified immediately below having a principal office and place of business as identified, hereinafter called the "Assignee," is desirous of acquiring the entire right, title and interest in and to said invention, the application above identified, and in, to and under Letters Patent or registrations which may be obtained for said invention, as hereinafter more fully set forth;

FoncRest LLC
1363 Shermer Road, Suite 318
Northbrook, IL 60062

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for valuable legally sufficient consideration, the receipt of which by the Assignors from the Assignee is hereby acknowledged, the Assignors have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the Assignee, its successors and assigns, the United States entire right, title and interest in and to the invention and the application herein above identified, any and all provisional patent applications from which the application claims priority, and all Letters Patents that may issue for the said invention, and all divisional, reissues, substitutions, continuations, and extensions thereof, to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns to the full end of the term for which any and all of said Letters Patents for the said invention may issue.

FURTHER, be it known that the Assignors have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the Assignee, its successors and assigns, the entire foreign rights to the invention disclosed in said application, in all countries of the world, including the right to file applications and obtain patents or registrations under the terms of any international convention or treaty, or any bilateral convention or treaty. Assignors further agree to execute any and all applications, assignments, affidavits, and any other papers in connection with any and all domestic and foreign applications identified herein or related to such identified applications in respective prosecution thereof and/or to perfect such patent rights or design registration rights.

And the Assignors do hereby covenant and agree, for themselves and their legal representatives, that they will assist the Assignee in the prosecution of the application herein identified; in the making and prosecution of any other applications for Letters Patent or registrations that the Assignee may elect to make covering the invention herein identified, as herein before set forth, including any application for reissue, application for reexamination, application for foreign patent or design rights, or any proceeding in the United States Patent and Trademark Office affecting the invention, investing in the Assignee

exclusive title in and to all such other applications and Letters Patent; and in the litigation of any dispute which may arise involving said invention, or any application or Letters Patent herein contemplated; that they will promptly execute and deliver to the Assignee any and all additional papers and make all lawful oaths which may be requested by the Assignee to fully carry out the terms of this Assignment; and further that they will communicate to Assignee, or to its successors, assigns, and legal representatives, and facts known respecting said invention, and at the expense of the Assignee, testify in any legal proceedings, and generally do everything possible to aid the Assignee, its successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

The United States Patent and Trademark Office is hereby authorized and requested to issue all Letters Patent to the Assignee in accordance with terms of the assignment.

IN TESTIMONY WHEREOF, the Assignors have hereunto set their hands on the date indicated below. The undersigned hereby authorize and request the attorneys and/or agents of record in the application above identified, and in, to and under Letters Patent which may be obtained for said invention to insert in this assignment the filing date and serial number of said application (and/or issue date and patent number of said corresponding Letters Patent) when officially known, if applicable.
