## ASSIGNMENT

WHEREAS, I, Peter Freiburger have invented certain new and useful improvements  
in a

### **ACTIVATION COMPONENT TESTING APPARATUS**

for which we are about to make application for Letters Patent of the United States; and

WHEREAS, Honeywell Federal Manufacturing & Technologies, LLC, a corporation  
duly organized under the laws of the State of Delaware and having its principal place of business at  
14520 Botts Road, Kansas City, MO 64147, is desirous of acquiring all interests in, to and under  
said invention, said application and any and all Letters Patent which may be granted for or upon said  
invention in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern be it known that for good and  
valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, Peter  
Freiburger, as inventor, have sold, assigned and transferred, and by these presents do sell, assign and  
transfer unto said Honeywell Federal Manufacturing & Technologies, LLC our full and exclusive  
right, title and interest, throughout the world, in, to and under the following:

(a) said invention as fully set forth and described in the application executed by  
inventor herewith preparatory to obtaining Letters Patent of the United States therefor and identified  
under attorney Dkt. No. 50095;

(b) said application;

(c) any and all applications from which said application claims priority;

(d) any and all refilings, divisions, and continuations of said application.

(e) any and all Letters Patent of the United States of America which may issue from said application, refilings, divisions and continuations;

(f) any and all reissues of said Letters Patent of the United States of America;

(g) any and all applications for Letters Patent on said invention that have been, or may be, filed in any and all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;

(h) any and all refilings, divisions and continuations of said foreign-filed applications;

(i) any and all Letters Patent of countries foreign to the United States of America which may issue from the said foreign-filed applications, refilings, divisions and continuations; and

(j) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

ALL of the above shall be held and enjoyed by said Honeywell Federal Manufacturing & Technologies, LLC for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent in accordance with this Assignment.

Assignor(s) further agree to execute all paperwork and provide any other requested, non-monetary assistance in procuring, perfecting, enforcing, and/or defending Assignee's rights in the rights assigned herein.
