**ASSIGNMENT OF PATENT APPLICATION AND PATENT titled
"Method and Apparatus for Measuring the Stability of An
Alternating Power Current Grid"**

This Patent Assignment (the "Agreement") is made and effective 1/5/2018 [date].

BETWEEN: **Alexander McEachern** (the "Assignor"), an individual residing in Oakland, California;

AND: **Power Standards Lab Inc.** (the "Assignee"), a corporation organized and existing under the laws of the state of California, with its head office located at:
980 Atlantic Ave
Alameda, CA 94501 USA

WHEREAS, Assignor has co-invented a certain new and useful invention (the "Invention") and Assignor is a co-inventor on a patent application related thereto, both of which are described in Exhibit A (the "Patent Application"); and

WHEREAS, Assignee wishes to acquire the entire rights, title, and interest in the Invention and the Patent Application;

NOW, the parties agree as follows:

1. ASSIGNMENT

Assignor hereby irrevocably assign to Assignee all rights, title, and interest (including but not limited to, any patents that may issue from the Patent Application, any continuations or continuations in part, any international applications and patents, all rights to prepare derivative works, all goodwill and all other rights), in and to the Patent Application and the Invention.

2. CONSIDERATION

In consideration for the assignment set forth in Section 1, Assignor has received good and valuable consideration from Assignee. Such consideration includes, in part, the sum of one dollar, receipt of which is hereby acknowledged.

3. REPRESENTATIONS AND WARRANTIES

Assignor represents and warrants to Assignee:

- (a) Assignor has the right, power and authority to enter into this Agreement;
- (b) Assignor and co-inventors are the exclusive owners of all right, title and interest, including all intellectual property rights, in the Invention and the Patent

- Application, unless such rights were previously assigned by the Assignors to the Assignee;
- (c) This Agreement is valid, binding and enforceable in accordance with its terms; and
 - (d) Assignor is not subject to any agreement, judgment or order inconsistent with the terms of this Agreement.

4. ENTIRE AGREEMENT

This Agreement, contains the entire understanding and agreement between the parties hereto with respect to its subject matter and supersedes any prior or contemporaneous written or oral agreements, representations or warranties between them respecting the subject matter hereof.

5. AMENDMENT

This Agreement may be amended only by a writing signed by all parties.

6. SEVERABILITY

If any term, provision, covenant or condition of this Agreement, or the application thereof to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such term, provision, covenant or condition as applied to other persons, places and circumstances shall remain in full force and effect.

7. AGREEMENT TO PERFORM NECESSARY ACTS

Assignee agrees to perform any further acts and execute and deliver any documents that may be reasonably necessary to carry out the provisions of this Agreement.

8. GOVERNING LAW

This Agreement shall be construed in accordance with, and all actions arising hereunder shall be governed by, the laws of the State of California.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.
