ASSIGNMENT

(Not to be filled in)

WHEREAS We, the below named inventors [hereinafter collectively referred to as Assignors], have made an invention entitled: Impact Sensitive Sports Equipment Wall, for which We filed an application for United States Letters Patent on August 27, 2015, as Application No. 14/770,862; and

WHEREAS, Wallam Limited, a corporation of the United Kingdom, whose post office address is Business & Technology Center, Rossmore Drive, Stevenage, SG1 2DX, United Kingdom, and IEE International Electronics & Engineering S.A., a corporation of Luxembourg, whose post office address is Zone Industrielle, L-6468 Echternach, Luxembourg [hereinafter collectively referred to as Assignees], are desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that for good and valuable consideration, the receipt of which from assignees is hereby acknowledged, We, as assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the assignees, their lawful successors and assigns, our entire right, title, and interest in and to this invention and this non-provisional application, and all divisions, and continuations thereof, and all Letters Patents of the United States which may be granted thereon, and all renewals thereof, and all rights to claim priority on the basis of such application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patents that may be granted on this invention in any foreign country, and all extensions, renewals, and renewals thereof; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patents for this invention to assignees, their successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with assignees, their successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention to said assignees, their successors and assigns, execute all divisional, continuation, and renewal applications, make all rightful oaths, and generally do everything possible to aid assignees, their successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the assignees, their successors and assigns.
