ASSIGNMENT

WHEREAS, Parenthood Designs, Inc. of Davis CA. (hereinafter referred to as "ASSIGNOR") is the owner of the following invention:

SLIDING BLACKOUT CURTAIN APPARATUS

for which an application for a United States patent was submitted to the United States Patent and Trademark Office and was assigned application no.; **14/818,828** and was awarded US Letters Patent No. **9,480,357**

WHEREAS Teena Price and Christopher Cannon (hereinafter referred to collectively as "ASSIGNEES") are desirous of acquiring the entire right, title, and interest in and to said invention and in and to said patent application and Letters Patent issued thereon;

NOW, THEREFORE, in accordance with obligations entered into pursuant to a Contract or other agreement and/or for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR hereby sells, transfers and assigns to said ASSIGNEES, and to ASSIGNEES' successors and assigns, ASSIGNOR'S entire right, title, and interest in and to said invention and improvements owned by ASSIGNOR in the United States and its territorial possessions and in any and all foreign countries and to all Letters Patents or similar legal protections in the United States and its territorial possessions and in any and all foreign countries to be obtained for said invention by said application or any application claiming priority to/from the application, or any continuation, division, continuation-in-part, reexamination, renewal, substitute, extension, or reissue thereof or any legal equivalent thereof in a foreign country for the full term(s) for which the same may be granted; and authorize and request the Commissioner for Patents of the United States and any official of any foreign country whose duty it is to issue patents or legal equivalents thereof, to issue same for this invention to ASSIGNEES, its lawful successors and assigns.

ASSIGNOR further covenant that ASSIGNEES will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention, said application, and said Letters Patent and legal equivalents thereof in foreign countries as may be known and accessible to ASSIGNOR and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to ASSIGNEES or its legal representative any and all papers, instruments, or affidavits required to apply for, obtain, maintain, issue, and/or enforce said invention, said application, and said Letters Patent and legal equivalents thereof in foreign countries which may be necessary or desirable to carry out the purposes thereof.
