ASSIGNMENT

WHEREAS, we the undersigned: Jamelo J. Mellejor; Sanjeev K. Gupta; and Dipen Desai; have made certain inventions described in a patent application filed in the United States Patent and Trademark Office on June 19, 2013 and titled "MEDICAMENT APPLICATOR," which application has been officially assigned Application No. 13/921,429; and

WHEREAS, Kashiv Pharma LLC, having an address at One New England Avenue, Piscataway, New Jersey 08854, (hereinafter referred to as the "Assignee") desires to acquire the entire right, title, and interest in and to said inventions and in and to any proprietary rights that may be granted therefor in the United States of America and in any foreign countries;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned have sold, assigned, and transferred, and by these presents confirm the sale, assignment, and transfer, to the Assignee, effective as of the filing date of the above-identified patent application, the full and exclusive right to said inventions in any countries, and the entire right, title, and interest in and to any and all patent, design, invention certificate, and other proprietary rights that may be granted therefor in the United States of America, its territories, dependencies, and possessions, and in any and all foreign countries, and to any and all divisions, reissues, continuations, conversions, and extensions thereof, for the full term or terms for which the same may be granted.

Assignee shall have the unrestricted right to file applications in any countries, claiming priority rights from the above-identified patent application under any applicable international agreements, treaties, and conventions, and naming any applicant as Assignee may deem desirable, and Assignee shall have an unrestricted ability to transfer the rights granted herein, in whole or in part, to any entity.

Each of the undersigned hereby agrees to cooperate and assist in the procurement and/or defense of any proprietary rights desired by Assignee or its successor in interest for the inventions in any manner reasonably requested, such as, but not limited to, by executing documents for submission in any countries, without compensation therefor by Assignee or its successor in interest. This continuing obligation will be binding on our executors and other legal representatives.
