ASSIGNMENT

WHEREAS, **Thomas Koll Porter GIESKE**, a resident of Lutherville, MARYLAND, UNITED STATES, whose mailing address is 12 Treadwell Court, Lutherville, MARYLAND 21093, UNITED STATES hereinafter referred to as the ASSIGNOR, has invented a certain improvement relating to

FOOD CHOPPER

for which he has executed and filed patent applications for Letters Patent in the United States and elsewhere throughout the world, as listed in the attached Appendix.

If this Assignment is filed after the filing date of any of the applications listed in the attached Appendix, the undersigned hereby authorize and request any one of the practitioners of record in these applications to insert the filing date(s) and application number(s) of said application(s) or patent number(s) of patent(s) issuing on said patent applications, when known, in the spaces provided for this purpose in the attached Appendix.

AND WHEREAS, **MCCORMICK & COMPANY, INCORPORATED**, a corporation organized and existing under the laws of the State of Maryland, United States, whose mailing address is 18 Loveton Circle, Sparks, MD 21152, United States, hereinafter known as the ASSIGNEE, is desirous of acquiring the entire right, title and interest for the United States and elsewhere throughout the world, in and to said inventions and applications, including any and all national/regional stage applications, provisional applications, nonprovisional applications, divisionals, and continuations thereof, and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues, reexaminations, and prolongations thereof.

NOW, THIS WITNESSETH that for good and valuable consideration, the receipt whereof is hereby acknowledged, said ASSIGNOR hereby assigns, sells and transfers to said ASSIGNEE, its assigns and legal representatives, the entire and exclusive right, title and interest in and to said inventions and applications, for the United States and elsewhere throughout the world, including any and all national/regional stage applications, provisional applications, nonprovisional applications, divisionals, and continuations thereof, and any and all Letters Patent which may be granted therefor and all rights to sue for past and future infringement thereunder, said ASSIGNEE and its assigns and legal representatives to have, hold, exercise and enjoy the said inventions and applications, including any and all national/regional stage applications, provisional applications, nonprovisional applications, divisionals, and continuations thereof, and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues, reexaminations, and prolongations thereof, with all the rights, powers, privileges, and advantages in any ways arising from or pertaining thereto, for and during the term or terms of any and all such Letters Patent when granted, including any and all renewals, reissues, reexaminations, and prolongations thereof, for the use and benefit of said ASSIGNEE and its assigns and legal representatives in as ample and beneficial a manner to all intents and purposes as the said ASSIGNOR might or could have held and enjoyed the same, if this assignment had not been made.

AND said ASSIGNOR hereby agrees to execute all papers necessary to file applications in the United States and elsewhere throughout the world for said inventions and to assign the same to

said ASSIGNEE, or any assignee acquiring title to said inventions, and to execute any other papers that may be needed in connection with filing said applications and securing Letters Patent thereon.

AND said ASSIGNOR authorizes and requests the Commissioner of Patents to issue Letters Patent on said applications, and on any and all divisions and continuations thereof, to said ASSIGNEE, its assigns and legal representatives, in accordance herewith.

IN TESTIMONY WHEREOF, this assignment is executed by said ASSIGNOR, on the respective date(s) indicated below.
