ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged,

I, **Stephen (Steve) FLAHERTY**, whose complete address is 2029 Carp Road, Carp, ON, K0A 1L0; (hereinafter referred to as "Assignor"):

Hereby sell, assign and transfer to

Multi Just Implements Inc. (hereinafter referred to as "Assignee"), a corporation of Canada, having a place of business at 2029 Carp Road, Carp, ON, K0A 1L0, its successors, assigns and legal representatives,

my entire right, title and interest for Canada, the United States and all other countries, in and to the Invention, which is disclosed in

Canadian patent application 2,882,150, filed February 18, 2015; and

United States patent application 14/659,660, filed March 17, 2015

and which is entitled:

ADJUSTABLE COMPRESSIBLE TOOL HANDLE

(hereinafter referred to as the "Applications") and in and to the said Applications and all provisional, divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed worldwide, including thereto, for said Invention; and in and to all original, reissued and other patents and certificates of invention which have been or shall be issued worldwide, for said Invention;

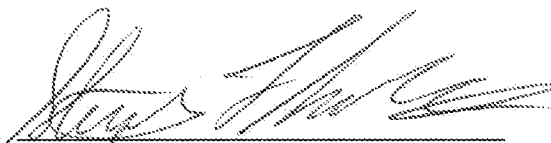

Agree that said Assignee may apply for and receive Letters Patent for said Invention in its own name, and that, when requested, without further consideration from or charge to, but at the

expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, said Assignor will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications for said invention; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said Invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said Invention and for vesting title to said Invention and all applications for patents and all patents for said invention, in said Assignee, its successors, assigns and legal representatives; and

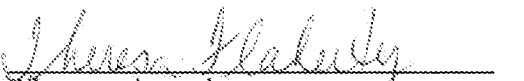

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by said Assignor, and that full right to convey the same as herein expressed is possessed by said Assignor.

In Witness thereof, I have affixed my seal on the date below noted:
