ASSIGNMENT

For valuable consideration, the receipt and sufficiency of which is acknowledged, I, **Minjie (Ben) Ding**, (hereinafter referred to as Assignor), hereby assign and transfer to **Hub Pen Company, LLC**, a limited liability company of **Delaware**, having a place of business at **1525 Washington Street, Braintree, Massachusetts 02184**, United States of America, its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title, and interest in the United States in and to the inventions and improvements which are disclosed in or the subject of the applications and Letters Patents as may issue therefrom as listed below, including the right to sue for past infringement to collect for all past, present and future infringements, and claims for damages and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits and all rights corresponding thereto in the United States by reason of any past and future acts of infringement that have occurred or may occur, which are identified by the Attorney Docket Number listed below for which Assignor is filing an application of United States Letters Patent herewith (hereinafter the "Applications").

Docket No.	Title
HUBP-080-2020D	Pen

This assignment includes: (i) the Application; (ii) continuations, divisionals and other United States applications which claim priority to the Application; (iii) all United States applications which claim priority to the Application; (iv) any and all United States and foreign patents, utility models, inventors' certificates, and design registrations granted for any of the inventions or improvements disclosed in or the subject of the Application, and (v) the right to claim priority based on the filing date of the Application under the United States Code, the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other statutes or treaties of like purposes.

Assignor authorizes the Assignee to apply in all countries in his name or in its own name for patents, utility models, design registrations, inventors' certificates and like rights of exclusion for any inventions or improvements which are disclosed in or the subject of the Applications. Assignor agrees for himself and his respective heirs, legal
