ASSIGNMENT

WHEREAS, Todd Clevenger, residing at 2252 Hummingbird Ct., Grand Rapids, MI 49546, respectively ("Assignor"), is the owner of intellectual patent rights in certain new and useful improvements in YARD CLEAN-UP TOOLS AND METHODS, and is the owner of a patent thereon, namely United States Letters Patent was issued on June 6, 2017, and issued Patent No. 9,669,994.

WHEREAS, RHSC Holdings, LLC, having a place of business at 2151 Las Palmas Drive, Suite E, Carlsbad, CA 92011, respectively ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefor in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns, and transfers unto Assignee the full and exclusive right, title and interest to the invention in the United States and in all foreign countries and the entire right, title and interest in and to said above-identified non-provisional patent application, and in and to any and all Letters Patent claiming priority to this application and/or said prior provisional application, which may be granted therefor in the United States and in any and all foreign countries and in and to any and all divisions, reissues, continuations, continuation-in-part, and extensions thereof including the full right to claim for any such applications the benefits of the International Convention.

Assignor hereby authorizes and requests the Patent Office Officials in the United States and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to Assignee as the owner of the entire right, title and interest in and to the same, for the sole use and benefit of Assignee, its successors and assigns.

FURTHER, Assignor agrees to communicate to Assignee or its representatives any facts known to Assignor respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all patent applications, divisional, continuation, continuation-in-part, substitution, renewal, and reissue applications, claiming priority to this application, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to Assignee, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper protection for the invention in the United States and in any and all foreign jurisdictions.

IN WITNESS WHEREOF, I have signed this Assignment as of the date appearing next to my signature.
