for which an application for a United States Patent was filed on October 31, 2017 as U.S. Application number 15/998,860;

and

whereas, Green Lite Innovations, LLC, A Utah Limited Liability Corporation, herein referred to as "Assignee" whose mailing address is 1837 Moore Crest Court, Cottonwood Heights, UT 84121 is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of TEN dollars (\$10), the receipt whereof is acknowledged, and other good and valuable consideration, We, the Applicants, by these presents do sell, assign, and transfer unto said Assignee the full and exclusive right to the said invention in the United States and internationally, and the entire right, title and interest in and to any and all Patents which may be granted therefor in the United States and internationally. We hereby authorize and request the Commissioner of Patents and Trademarks, and any foreign counterparts thereof, to issue said Patents to said Assignee, of the entire right, title, and interest in and to the same, for its sole use and behoof; and for the use and behoof of its legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made. This Assignment may be executed in counterparts, with copies having the same effect as originals.
