THIS ASSIGNMENT is made the 27 day of OCTOBER 2017

BETWEEN:

- (1) OVE ARUP & PARTNERS INTERNATIONAL LIMITED a company formally incorporated and registered in England and Wales with company number 00952468 whose registered office is at 13 Fitzroy Street, London W1T 4BQ, United Kingdom (hereinafter called "the Assignor") and
- (2) ARUP VENTURES LIMITED a company formally incorporated and registered in England and Wales with company number 04212232 whose registered office is at 13 Fitzroy Street, London W1T 4BQ, United Kingdom (hereinafter called "the Assignee")

WHEREAS:

- (A) The Assignor has applied for patents (hereinafter called "the Applications") and has been granted patents and design registrations (hereinafter called "the Patents and the Design Registrations") in respect of the countries listed in the Schedule (hereinafter called "the Designated Countries") under the application numbers, grant numbers and registration numbers specified in the Schedule, in respect of the inventions and the designs the titles of which are specified in the Schedule (hereinafter called "the Inventions and the Designs").
- (B) The Assignor has agreed to assign the Inventions and the Designs, the Applications and the Patents and the Design Registrations to the Assignee as set out below.

NOW THIS DOCUMENT WITNESSES as follows:

- (1) In consideration of the sum of ten pounds (GBP 10.00) now paid by the Assignee to the Assignor (receipt of which the Assignor hereby acknowledges), the Assignor, with full title guarantee, HEREBY ASSIGNS to the Assignee:

- 1.1 all of the Assignor's right and title to and interest in the Inventions and the Designs and the full and exclusive benefit of each of them in each and all of the Designated Countries;
- 1.2 the unregistered design rights subsisting in the Design Registrations;
- 1.3 all the rights of the Assignor in and to the Applications and the Patents and the Design Registrations and in any further application for a patent or patents or a design registration

or design registrations in respect of the Inventions and the Designs made under the regional or national patent or design legislation in each of any of the Designated Countries;

1.4 the full right to apply for and obtain patents or design registrations or other similar forms of protection in respect of the Inventions and the Designs in the United Kingdom and throughout the world;

1.5 the right to make any new application or applications in respect of any part or parts of the subject matter of any application or specification filed in connection with the Inventions and the right to claim priority under section 5 of the Patents Act 1977 from the Applications;

1.6 the right to claim priority of the Applications under the Paris Convention (as amended) when making applications in countries or territories outside the United Kingdom;

1.7 the right to recover and take all such proceedings as may be necessary for the recovery of damages or otherwise in respect of all infringements of the Patents and the Design Registrations and of any patent or patents granted pursuant to the Applications whether such infringements are committed before or after the date of this Agreement;

1.8 any patents or other similar forms of protection granted in respect of the Inventions pursuant to the Applications;

TO HOLD the same unto the Assignee and its successors and assigns absolutely.

(2) This Assignment is governed by and shall be interpreted according to the laws of England and Wales.
