## ASSIGNMENT

WHEREAS, WE, KEVIN SWEENEY and RISHIERAM SAMAROO (hereinafter referred to as "ASSIGNORS") have invented "CENTERING BELL QUICK CHANGE SYSTEM", as set forth in U.S. Provisional Patent Application No. 62/073,333, filed on October 31, 2014, and U.S. Non-Provisional Patent Application No. 14/923,528, filed on October 27, 2015 (collectively, the "Patent Applications"); and

WHEREAS, Bevcorp LLC, having an address of 4711 E. 355th Street, Willoughby, Ohio, 44094, an Ohio limited liability company (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring the entire interest in the Patent Applications;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, said ASSIGNORS, hereby sell, assign, and transfer and set over, unto said ASSIGNEE, its successors, legal representatives and assigns, our entire right, title and interest in, to and under said invention, and said Patent Applications including all divisions, renewals, and continuations thereof, and all patents of the United States and any other country which may be granted thereon including all reissues, reexaminations, renewals and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention or claiming priority to any of the foregoing applications in the United States or any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said Patent Applications under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals, reexaminations and reissues thereof.

ASSIGNORS hereby authorize and request the Director of the United States Patent and Trademark Office, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

ASSIGNORS hereby grant the firm of Porter, Wright, Morris & Arthur LLP the power to insert in this Assignment any further identification or information which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

ASSIGNORS hereby covenant and agree that they have full right to convey the entire interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict herewith.

ASSIGNORS hereby further covenant and agree that they will communicate to said ASSIGNEE, its successors, legal representatives and assigns, any facts known to them respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue, reexamination and foreign applications, make all rightful oaths, and generally do everything possible to aid said ASSIGNEE, its successors, legal

representatives and assigns, to obtain and enforce proper protection for said invention in all countries.
