## Intellectual Property Assignment Agreement

In consideration of my employment with Allstate Insurance Company or any of its affiliates or subsidiaries (collectively, "Allstate"), I agree to promptly disclose to Allstate any ideas, inventions, discoveries, improvements, methods of doing business, processes, products, information, software and other copyrightable works, trademarks, service marks or trade secrets ("Developments") that are conceived, developed or reduced to practice by me, either solely or jointly with others, at any point during my employment at Allstate, whether or not they are patentable, capable of copyright or trademark registration or subject to trade secret protection ("Allstate Developments"). All Allstate Developments shall be the sole and exclusive property of Allstate either as a "work made for hire" under the copyright laws, under any other applicable laws, or by this present assignment of them by me to Allstate. I also appoint Allstate and Allstate's designee as my attorney with power to do all things necessary to carry out these obligations. I agree to take all actions reasonably requested of me to help Allstate perfect and maintain its ownership rights as assigned above.

I understand that I need not assign to Allstate any Development constituting an invention for which no equipment, supplies, facility, or trade secret information of Allstate was used, and that was developed entirely on my own time, unless: (a) such Development relates to Allstate's business or to Allstate's actual or anticipated research or development, or (b) the Development results from any work performed by me for Allstate.

I represent and warrant to Allstate that I have not brought to Allstate, nor will I disclose or use in my work at Allstate, any confidential, proprietary or trade secret information of any prior employer or its customers that I am under an obligation of any kind to keep confidential or that I should reasonably know to be of value to such third party simply by virtue of its limited disclosure. I also represent and warrant that I will not disclose or use any inventions of a prior employer or its customers in my work for Allstate that Allstate is not otherwise entitled to learn of or use.
