ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we

Jerome Jacques Marie Mage of Los Angeles, California
Marc Guy Blanchard of Solana Beach, California

hereby sell, assign and transfer to **100% SPEEDLAB, LLC**, a California Limited Liability Company, having a place of business at 9630 Aero Drive, San Diego, California, 92123, its successors and assigns, the entire right, title and interest throughout the world in our invention in

HELMET

for which was filed a United States Patent Application on **October 24, 2016**, having Application No. **29/582,014**, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 24 day of JANUARY, 2017.
