ASSIGNMENT

We, Mead C. Killion, a resident of the City of Elk Grove Village, in the County of Cook, State of Illinois, and Country of United States of America, and Gregory R. Shaw, a resident of the City of Calgary, Province of Alberta, Country of Canada, have made an invention comprising certain new, useful, and nonobvious improvements in a

**HEARING TEST APPARATUS AND METHOD  
HAVING ADAPTIVE ARTIFACT REJECTION**

Said invention is described or intended to be described and set forth in the patent application presently identified as Docket No. 12648US01, which was filed as U.S. Serial No. 09/528,055 on March 17, 2000.

Etymotic Research, Inc., a corporation organized and existing under and by virtue of the laws of the State of Illinois and having a place of business at Elk Grove Village, Illinois (hereinafter: "said assignee") desires to acquire the entire right, title, and interest in and to said invention, said application, and any Letters Patent which may be granted for said invention, said application, and any and all divisions, continuations, continuations in part, reissues, reexamination certificates, foreign counterparts, and extensions thereof.

We warrant and represent that we conceived said invention, that no one other than the above-mentioned inventors is a joint inventor of said invention, and that we have not assigned or agreed to assign any rights in said invention or said application to anyone other than said assignee or a predecessor in interest to said assignee.

NOW, THEREFORE, in consideration of one dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, we hereby assign to said assignee, its successors and assigns, the entire worldwide right, title, and interest in and to said invention, said application, and any Letters Patent which may be granted for said invention, said application, and any and all divisions, continuations, continuations in part, reissues, reexamination certificates, substitutes, and extensions of said application (each of which is included herein as a part of "said application"), including but not limited to all my United States and other national rights to said invention and said application and all my rights under the Paris Convention for the Protection of Industrial Property and all other applicable treaties or laws in respect to said invention and said application.

We hereby authorize and request the United States Commissioner of Patents and Trademarks to issue any Letters Patent which may be granted for said invention or upon said application to said assignee, its successors and assigns, in accordance with this assignment.

We hereby authorize said assignee to apply for patents on said invention in foreign countries, claiming the filing date of said application under the provisions of the Paris Convention for the Protection of Industrial Property and all other applicable treaties and laws, and we further agree to execute any and all documents that may be required or desired by said assignee in order that said assignee may apply for Letters Patent on said invention in foreign countries in our names or its name.

We hereby agree to promptly communicate to said assignee or its representatives any facts known to us respecting said invention or said application; to testify in any legal proceeding relating thereto; to sign all lawful papers, including but not limited to all divisional, continuing, continuing in part, reissue, substitute, and extension applications, all rightful oaths or declarations, and documents confirming or substituting for this assignment.

Signed at Elk Grove Vlg., in the County of Cook and State of IL, this 14<sup>th</sup> day of July, 2000.
