Assignment of Rights in Patent

I, Clifford Ford Miller, have contributed to an invention entitled, "Mobile Platform Carrying System" as set forth in the patent application enclosed with this document filed 1/5/2018.

Ford Miller Holding Company, LLC is a company organized and existing under the laws of North Carolina and has an office at 3523 Sugar Hill Road Marion, NC 28752. Ford Miller Holding Company, LLC desires to acquire the entire right, title, and interest in the Mobile Platform Carrying System, any later made improvements to the invention, and any patent which may be obtained for this application.

I, in consideration for continued employment with Ford Miller Holding Company, LLC for which I acknowledge receipt, have sold, assigned, transferred and conveyed to Ford Miller Holding Company, LLC, its successors, and assigns, the entire right, title, and interest in the Mobile Platform Carrying System, as set forth in the patent application enclosed with this document, filed 1/5/2018, any later made improvements to the invention, and any patent which may be obtained for this application.

I authorize and request the Commissioner of Patents and Trademarks to issue any patent resulting from the application for the Mobile Platform Carrying System, as assignee of the entire right, title, and interest in the same, for the sole use of Ford Miller Holding Company, LLC, its successors, and assigns.

I, for the consideration mentioned above, agree with Ford Miller Holding Company, LLC, its successors, and assigns, that I have the full power to make this assignment, and that the rights assigned are not encumbered by any grant, license, or right, except for the above mentioned royalty agreement.

I, my executor, or my administrator, will assist Ford Miller Holding Company, LLC and its counsel in providing any instruments in writing, further applications, papers, affidavits, powers of attorney, assignments, and other documents, which, in the opinion of counsel for Ford Miller Holding Company, LLC, its successors, and assigns, may be required or necessary to more effectively secure and vest rights in the Mobile Platform Carrying System. These rights include entire right, title, and interest in the Mobile Platform Carrying System, any later made improvements to the invention, and any patent which may be obtained for this application.

I will sign any application for reissue which may be desired by Ford Miller Holding Company, LLC, its successors, and assigns for any patent or patents that may issue from the Mobile Platform Carrying System or its improvements.

Signed and executed at Marion, North Carolina on 5 JANUARY 2018,
(date)

Clifford F. Miller
