ASSIGNMENT

WHEREAS, we, Brantly Fulton, of Eugene, Oregon, Milton N. Jackson, Jr., of Eugene, Oregon, Darren W. Johnson, of Eugene, Oregon, Shannon W. Boettcher, of Eugene, Oregon, and James E. Hutchison, of Eugene, Oregon, have invented, with others, a certain invention, as described in the following patent application:

PCT Patent Application No. US2016/041622, filed on July 8, 2016, entitled
“SYNTHESIS OF M13 CLUSTERS FROM ALUMINUM AND GALLIUM
MINERALS,”

which application is referred to as “the patent application.”

WHEREAS, University of Oregon, a university organized under the laws of the State of Oregon, having a place of business at 1238 University of Oregon, Eugene, Oregon 97403, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Brantly Fulton, Milton N. Jackson, Jr., Daren W. Johnson, Shannon W. Boettcher, and James E. Hutchison, hereby sell, assign, and transfer to University of Oregon, the full and exclusive right, title, and interest in and to said invention, the patent application, and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, the patent application, and letters patent in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues, and extensions thereof, to be held and enjoyed by University of Oregon, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to University of Oregon, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do

everything possible to aid University of Oregon, its successors, and assigns to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information that may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
