ASSIGNMENT

WHEREAS, I, Dallas Meeker, residing at 14253 87th Court NE, Kirkland, Washington 98034, am the inventor named in an application for Letters Patent of the United States entitled PRESSURE RESISTANT CONDUCTIVE FLUID CONTAINMENT, and I hereby authorize the attorneys of the firm of Christensen O'Connor Johnson Kindness^{P.A.C.}, 1201 Third Avenue, Suite 3600, Seattle, Washington 98101, to insert here in parentheses (Application No. 14/523488, filed October 24, 2014) the application number and filing date of said application when known;

AND, WHEREAS, Physio-Control, Inc., a Washington corporation having a principal place of business at 11811 Willows Road NE, Redmond, Washington 98052 (hereinafter referred to as ASSIGNEE), is desirous of acquiring my entire right and title to and interest in my invention disclosed in said application;

NOW, THEREFORE, for sufficient, good, and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the ASSIGNORS, do hereby sell, assign, transfer, and set over unto the ASSIGNEE its successors, legal representatives, and assigns our entire right, title and interest in, to, and under the invention(s), and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, inventors' certificates, and designs that have been filed, and that may hereafter be filed, in any country, that disclose, describe, and/or claim the invention(s), including, without limitation, the subject application and the priority application, and all extensions, renewals, and reissues of such applications, including all divisions and continuations in whole or in part; all patents granted on such applications in any country, and all extensions, renewals, and reissues of such patents, including all divisions and continuations in whole or in part; the right to file such applications in any country; and the right to claim for such applications in any country the priority rights derived from the priority application and the subject application under the International Convention for the Protection of Industrial Property, the Patent Laws of the United States, any other international agreement or protection, or the domestic laws of any country in which any such application is filed, as may be applicable;

AND WE HEREBY covenant and agree that we have full right to convey our entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith;

AND WE HEREBY further covenant and agree that we will communicate to the ASSIGNEE, its successors, legal representatives, and assigns any facts known to us respecting the invention(s), testify in any legal proceeding; sign all lawful papers; execute all disclaimers and all divisional, continuing, reissue, and foreign applications; make all rightful oaths; deliver upon request all papers, documents, affidavits, or other instruments that may be necessary or helpful in the prosecution of any application for industrial property protection describing and/or claiming the invention(s); and generally do everything possible to aid the ASSIGNEE, its

successors, legal representatives, and assigns to obtain and enforce proper protection of the invention(s) in all countries, all without charge to ASSIGNEE but at no expense to us.

Executed at Redmond (city), Washington (state), this 24th day of October, 2014.
