ASSIGNMENT

THIS PATENT ASSIGNMENT (this "Assignment") is made as of January 2, 2018 (the "Effective Date"), by and between, Zoho Corporation, incorporated in California ("Assignor"), and Zoho Corporation Private Limited, incorporated in India ("Assignee").

WHEREAS, Assignor is the owner of the Patent Application entitled "EDITING AN UNHOSTED THIRD PARTY APPLICATION", (Docket No. 26FY-158761, U.S. Application No. 13/312,883) filed in the United States on December 6, 2011; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire worldwide right, title and interest in and to the patent application.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, the entire right, title and interest in and to the patent application in the United States and throughout the world, including any progeny thereof, such as continuation, divisional, and continuation-in-part applications; any ensuing U.S. or foreign Letters Patent that may issue from the patent application or its progeny; and any patents that may issue from reexamination or reissue proceedings of the ensuing U.S. or foreign Letters Patent.

NOW, THEREFORE, for the same good and valuable consideration, Assignor hereby sells, assigns and transfers to Assignee, the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications and foreign Letters Patent any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, it and its legal representatives and assigns will perform all lawful acts, including the execution of papers and the giving of testimony, that might be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world pursuant to the Patents, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to any such Letters Patent in the United States and throughout the world.

Assignor represents and warrants that it has not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted pursuant to the Patent Application, to Assignee, its successors and assigns, as the assignee of the entire interest in the Patents.

Assignor  
Zoho Corporation
