If there is more than one Assignor or Assignee, the words "Assignor" and "Assignee" shall include them.

This assignment relates to the United States patent applications listed in the attached Schedule A ("the Patent Properties").

Assignor has received Ten Dollars (\$10.00) and other good and valuable consideration for this assignment.

Assignor assigns to Assignee all of Assignor's right, title and interest in the Patent Properties and the invention(s) described and/or claimed in the Patent Properties, and any and all patents that may issue therefrom, as well as the right to sue and collect damages and royalties for any and all past and future infringements thereof.

Assignor states that Assignor has the right to grant to Assignee the rights which are assigned by this assignment. Assignor will sign any additional documents as may be needed to carry out the purpose of this assignment and as may be necessary or desirable to perfect the transfer of these rights to Assignee.

This assignment is binding on all parties who lawfully succeed to the rights of or take the place of Assignor or Assignee.

The undersigned hereby grant(s) to the firm of Gottlieb, Rackman & Reisman, 270 Madison Avenue, New York, New York 10016-0601, the power to insert on this assignment any further identification of, or information pertaining to, one or more of the Patent Properties, and/or to correct any clerical error in such identification or information, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office concerning recordation of this document.
