PATENT ASSIGNMENT

PATENT ASSIGNMENT (this "Patent Assignment") is executed and delivered as of December 10, 2014 by and between NeuroStructures, Inc., a California corporation ("NSL") and Howmedica Osteonics Corp., a New Jersey corporation, through its Stryker Spine division (the "Buyer") and will be effective upon the Closing (as such term is defined in that certain Asset Purchase Agreement dated as of the date hereof by and between the Buyer and Blackstone Medical, Inc. d/b/a Orthofix Spinal Implants, a Massachusetts corporation).

WHEREAS, NSL owns the entire right, title, and interest in and to the U.S. Patent No. 8,668,723, U.S. Patent Application Serial Nos. 14/453,458, and 14/158,995 (Publ. No. 2014/0135848), and the inventions described in and underlying such patents and patent applications (collectively, the "Patents"); and

WHEREAS, NSL wishes to assign to Buyer all right, title and interest in and to the Patents, and Buyer desires to secure the entire right, title and interest in and to the Patents.

NOW, THEREFORE, be it known by all whom it may concern, that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged,

1. NSL agrees to and hereby does assign, transfer and set over to the Buyer, its successors and assigns, and Buyer hereby accepts, all of the entire right, title and interest in and to the Patents, including the right to sue for and collect for Buyer's sole benefit all damages for any past infringement of the Patents. The assignment of the Patents shall include the right to file domestic patent applications under the laws of the United States and all other countries that claim the benefit of any of the foregoing patents or applications, and to file foreign patent applications in the name of the Buyer or its affiliates, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.
2. NSL hereby authorizes and requests the United States Commissioner of Patents, and the Patent Office officials in foreign countries as are duly authorized by the respective foreign patent laws to issue patents, to issue any and all patents directed to the Patents to the Buyer as the owner thereof.
3. NSL hereby agrees, without further consideration and without expense to the Buyer, to execute all papers and to perform all other acts which the Buyer may reasonably request to perfect this assignment and render it fully effective.
4. This Patent Assignment shall be governed by, and construed in accordance with the laws of the State of New York.
5. This Patent Assignment may be executed and delivered (including electronically) in one or more counterparts, and by the parties in separate counterparts, each of which when executed shall be deemed to be an original, but when taken together shall constitute one and the same agreement.
