ASSIGNMENT OF PATENT APPLICATION

THIS ASSIGNMENT is made by ARTIO SARL, located at Industrial Zone Sidi Abdelhamid, Cedex 4061 Sousse, Tunisia ("Assignor"), to PARAMOUNT INTERNATIONAL SERVICES, located at Trust Company Complex, Ajeltake Road, MH 96960 MAJURO, Marshall Islands ("Assignee").

1. Assignor is the owner of certain inventions and improvements (the "Invention") described in a U.S. patent application and having the title

METHOD OF MANUFACTURING ROTOGRAVURE CYLINDERS

which application was filed with the U.S. Patent and Trademark Office on April 2, 2015, and assigned Application No. 14/433,353 and is related to Application No. PCT/EP2013/071195 having an international filing date of October 10, 2013; and

2. Assignor has full right to convey the entire interest herein assigned and has not executed and will not execute any agreement or do anything in conflict herewith.

3. Assignee desires to acquire the entire right, title and interest in and to the said application, inventions and improvements and any patents that may be granted on or as a result thereof in the United States of America (U.S.) and in any and all foreign countries.

4. NOW THEREFORE, for good and valuable consideration, the receipt of which is acknowledged, Assignor assigns to Assignee the entire right, title and interest in and to said application, inventions and improvements throughout the world and to any and all patents, petty patents and utility model patents which may be granted therefore, and all continuations, continuations-in-part, divisions, reissues, extensions, and renewals thereof, and all related rights, including the right to claim priority, as well as all rights and claims for the infringement thereof, for Assignee's own use and for the use of its successors, assigns, or other legal representatives, to the end of the term or terms for which any Letters Patents are or may be granted or reissued, as fully and entirely as the same would have been held by Assignor if the assignment had not been made, together with all claims for damages by reason of past infringement of the Letters Patent, with the right to sue for and collect the same for Assignee's own use and for the use of its successors, assigns, or other legal representatives.

5. Assignor agrees to communicate to Assignee and its authorized legal representatives any facts known to Assignor respecting the Invention, to execute all divisional, continuation, renewal, reissue and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to the Invention, sign all lawful documents which Assignee and its authorized legal representatives shall consider desirable for aiding in securing and maintaining proper protection for the Invention and to testify in any judicial and/or administrative proceeding and generally do everything possible to aid Assignee and its authorized legal representatives to obtain and enforce all rights in the Invention.

The parties hereby grant the attorneys at the law firm of Benner & Witcoff the power to insert into this document information sufficient to identify the patent application to which this assignment pertains.
