## ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are agreed, the undersigned hereby assigns to Loyola University Chicago and its successors and assigns ("Assignee") the entire right, title and interest in and to the ideas, inventions, discoveries and works referenced in the U.S. patent application having inventor Adam Driks entitled "METHODS, FORMULATIONS, AND KITS FOR BACTERIAL DEGRADATION" (U.S. Patent Application No. 15/707,372 filed on September 18, 2017), and in and to all intellectual and tangible property rights therein, thereto, therefrom or thereon, anywhere in the world, in law and in equity, whether patentable or not including, without limitation patent applications, copyright registration, renewals and other applications which the undersigned may file and/or be named as an inventor or author of, solely or jointly, and all patents and/or registrations which may be obtained on any of said applications or registrations and in all reissues, reexaminations, supplemental examinations, inter parties reviews, oppositions, post-grant reviews, supplementary protection certificates and/or extensions thereof, source code, object code and other copyrightable works, including without limitation, the right to bring suit and to claim and retain all damages and/or seek other remedies for the past, present and future infringement of any of the foregoing, the right of priority, including without limitation to claim priority benefit of or to said patent applications, and request the Commissioner for Patents in the United States and similar authorities outside the United States to issue said patents to and in the name of the Assignee.

The undersigned authorizes the attorneys of record in the application referred to above to insert in this assignment the filing date and application number of the application referred to above when officially known.

The undersigned states that the application referred to above is or was made or authorized to be made by him or her. The undersigned believes himself to be the original inventor or a joint inventor with another undersigned of a claimed invention in the application referred to above. The undersigned acknowledges that any willful false statement made by him in this paragraph is punishable under 18 U.S.C. §1001 by fine or imprisonment of not more than five years, or both.

Except in favor of Assignee, the undersigned warrants that: (i) he is the owner of all its rights, titles and interests herein assigned and has the right to make this unconditional and irrevocable assignment to Assignee without obtaining any approval or permission of a third party; and (ii) there are no outstanding encumbrances, liens, prior assignments, licenses, or other obligations or restrictions on the rights, titles and interests herein assigned.

Upon the request of Assignee and at no expense to the undersigned, the undersigned hereby agrees to execute all registrations and applications on said inventions, including without limitation for the reissue, reexamination, supplementary protection certificate or extension thereof and any oath, declaration or affidavit relating thereto that said Assignee may deem necessary or expedient, and to cooperate to the best of the ability of the undersigned with and perform all affirmative acts requested by Assignee to prepare, file, prosecute, maintain, defend, enforce, transfer and vest in Assignee the rights, titles and interests assigned herein, including without limitation, preparing and executing statements and giving and producing evidence in support thereof, whereby said rights, titles and interests will be held and enjoyed by said Assignee to the full end of the term for which said patents may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

WITNESS my hand this 26 day of February, 2018

  
Adam Driks

State of Illinois

County of Cook

On this 26 day of February, 2018 before me, a Notary Public in and for the County and State aforesaid, appeared Adam Driks, known to me personally or proved to me on the basis of satisfactory evidence to be the same person whose name is subscribed to the foregoing instrument and acknowledged that he executed said instrument as his free and voluntary act and for the uses and purposes therein expressed.

WITNESS my hand and seal the same day and year last above given.

My Commission Expires: 03/14/2021

  
Notary Public
