ASSIGNMENT

WHEREAS, we, as below named inventors, residing at the addresses stated below our names, as a joint inventor of certain new and useful improvements in CAM FOLLOWER AND YOKE ROLLER ASSEMBLIES, for which a non-provisional application was filed in the U.S. Patent and Trademark Office on November 28, 2017 and has been assigned Application No. 15/824,335, which is a continuation in part application of and claims priority to U.S. Patent Application No. 15/046,158, filed on February 17, 2016, which is a continuation in part application of and claims priority to U.S. Patent Application No. 14/577,126, filed on December 19, 2014, which is a continuation in part application of and claims priority to U.S. Patent Application No. 13/678,031, filed on November 15, 2012, which is a non-provisional application of and claims priority to U.S. Provisional Application No. 61/560,593, filed on November 16, 2011. This application, U.S. Patent Application No. 15/824,335, is also a continuation in part application of and claims priority to U.S. Patent Application No. 14/865,998, filed on September 25, 2015, which is a non-provisional application of and claim priority to U.S. Provisional Application No. 62/055,272, filed on September 25, 2014. This application, U.S. Patent Application No. 15/824,335, is a non-provisional application of and claims priority to U.S. Provisional Application No. 62/428,099, filed on November 30, 2016 and has been subsequently assigned to Roller Bearing Company of America, Inc.

WHEREAS, we possess the entire right, title and interest in the forgoing invention, free from all encumbrances, and have full right to convey our part or all of our interest, and

WHEREAS, Roller Bearing Company of America, Inc. (hereinafter referenced as ASSIGNEE), a Delaware corporation, having a place of business at One Tribology Center, Oxford, Connecticut 06478, is desirous of acquiring all rights, title and interest in, to and under said inventions, said applications disclosing the inventions and in, to and under any Letters Patent or similar legal protection which may be granted therefor in the United States and in any and all foreign countries;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, as joint inventors as indicated below, by these presents do hereby assign, sell and transfer unto the said ASSIGNEE, its successors, assigns, and legal representatives, the full, exclusive and entire right, title and interest in the said inventions, said applications, including any non-provisional patent applications and any divisions, continuations and reissues thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted for said invention, and in and to any and all priority rights and/or convention rights under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States of America adheres, and the right to sue and collect damages for past

infringement, and to any other benefits accruing or to accrue to me with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, and we hereby authorize and request the Commissioner of Patents to issue the said United States Letters Patent to said ASSIGNEE, as the assignee of the whole right, title and interest thereto;

AND we further agree to execute all necessary or desirable and lawful future documents, including assignments in favor of ASSIGNEE or its designee, as ASSIGNEE or its successors, assigns and legal representatives may from time-to-time present to me and without further remuneration, in order to perfect title in said invention, modifications, and improvements in said invention, applications and Letters Patent of the United States and countries foreign thereto;

AND we further agree to properly execute and deliver and without further remuneration, such necessary or desirable and lawful papers for application for foreign patents, for filing subdivisions of said application for patent, and or, for obtaining any reexaminations, reissue or reissues of any Letters Patent which may be granted for our aforesaid invention, as the ASSIGNEE thereof shall hereafter require and prepare at its own expense;

AND we further agree that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent and legal equivalents in foreign countries as may be known and accessible to me and will testify as to the same in any reexamination, interference or litigation related thereto;

AND we hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.
