ASSIGNMENT
(NUNC PRO TUNC)

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned does hereby:

SELL, ASSIGN AND TRANSFER to MERGE LABS, INC., (the "Assignee"), a corporation organized and existing under and by virtue of the laws of the State of Delaware, and having its principal place of business at 454 Soledad St., Ste. R100, San Antonio, TX 78205, nunc pro tunc effective as of February 14, 2018, the entire right, title and interest for the United States and all foreign countries, and any additional, continuation or divisional applications thereof which are disclosed in the application for United States Design Patent, which was filed February 14, 2018, Serial No. 29/637,192, and is entitled "Augmented Reality Toy" such application for patent and any additional, continuation or divisional applications thereof which have been or shall be filed in the United States and all foreign countries; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted from the named application to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT that, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, and all other patent applications; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned; and generally do everything possible which the Assignee shall consider desirable for securing, maintaining and enforcing proper patent protection for improvements and for vesting title to such improvements in the Assignee;

COVENANT AND AGREE that the above is and will be binding on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assigns.
