ASSIGNMENT

WHEREAS, I, Morgan Allis, a citizen of the United States, residing at 700 Ellicott Street, Batavia, New York 14021-0549; **Jim Fontaine**, a citizen of the United States, residing at 700 Ellicott Street, Batavia, New York 14021-0-549; and **David Dubiel**, a citizen of the United States, residing at 700 Ellicott Street, Batavia, New York 14021-0549; have created a MIX ON DEMAND SPRAYER (hereinafter "Invention") for which an application for Letters Patent has been executed in the United States Patent and Trademark Office under U.S. Patent Application No. 15/725,937, filed on October 5, 2017 (the "Application");

WHEREAS, Chapin Manufacturing, Inc., with its principal place of business at 700 Ellicott Street, Batavia, New York 14021; desires to acquire the entire right, title and interest in, to and under the said Invention and the said Application.

NOW, THEREFORE, for good and valuable consideration including salary or payment for the making of invention, or employee benefits, the receipt and sufficiency of which is hereby acknowledged, I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said **Chapin Manufacturing, Inc.**, its successors, legal representatives and assigns, my entire right, title and interest throughout the world in, to and under the said Invention, and the said Application and all extensions, non-provisional applications, divisionals, continuations, renewals and reissues thereof, and all Letters Patent of the United States which may be granted thereon and all non-provisional, extensions, divisionals, continuations, renewals and reissues thereof, and all rights of priority under International Conventions and application for Letters Patent which may hereafter be filed for said Invention and Application in any country or countries foreign to the United States, and all Letters Patent which may be granted for said Invention and Application in any country or countries foreign to the United States, and all extensions, renewals and reissues thereof; and including all rights to publish cautionary notices reserving ownership of the said Invention and the said Application and all rights to register the said Invention and the said Application in appropriate registries; and I hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as foresaid, to issue all letters Patent for said Invention and Application to the

said **Chapin Manufacturing, Inc.**, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to the said **Chapin Manufacturing, Inc.**, its successors, legal representatives and assigns, any facts known to Me respecting the said Invention and Application and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said **Chapin Manufacturing, Inc.**, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said Invention and said Application in all countries.

IN TESTIMONY WHEREOF, I authorize and affirm said assignment with the signature set forth below on the indicated date.
