ASSIGNMENT

This Assignment is made this 24th day of JANUARY, 2018 by Light Prescriptions Innovators, LLC, a corporation of California, whose post office address is 2400 Lincoln Ave. Altadena, CA 91001 USA (hereinafter referred to as Assignor) in favor of Stanley Electric Co., Ltd., a corporation of Japan whose post office address is 2-9-13, Nakameguro, Meguro-ku, Tokyo 153-8636 JAPAN (hereinafter referred to as Assignee).

WHEREAS, Assignor currently jointly owns in equal shares with Assignee all right, title and interest in the U.S. Patents set forth in Schedule A attached hereto and the inventions described therein (the Intellectual Property).

WHEREAS Assignee desires to acquire sole ownership and 100% of the shares and all right, title and interest in the Intellectual Property.

WHEREAS Assignor desires to transfer all such right, title, and interest that Assignor owns to Assignee, in the Intellectual Property.

NOW THEREFORE, be it known that, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration the receipt and adequacy of which is hereby acknowledged by Assignor, Assignor has sold, assigned, transferred, and set over and does hereby sell, assign, transfer, and sets over unto the Assignee, their lawful successors and assigns, (a) all right, title, and interest in and to the Intellectual Property, and all divisions, re-examinations, continuations, and continuations-in-part thereof, (b) all reissues and all rights to claim priority thereof, and (c) any and all causes of action that Assignor may own in connection with any rights in and to the Intellectual Property in the United States, whether such cases are pre-existing or arise after the date of this Assignment, that Assignor may own; and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, to issue all Letters Patent that claim priority or re-issue from, or are a result of re-examination or post grant review of the Intellectual Property, to Assignee, their successors and assigns, in accordance with the terms of this Assignment, such that Assignee solely owns an undivided 100% share of the Intellectual Property;

AND, Assignor hereby covenants that Assignor has the full right to convey the interest, assigned by this Assignment, and Assignor has not executed and will not execute any agreement in conflict with this Assignment;

AND, Assignor hereby further covenants and agrees that Assignor will, without further consideration, communicate with Assignee, their successors and assigns, any facts known to Assignor respecting the Intellectual Property, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to the Intellectual Property in said Assignee, their successors or assigns, make all rightful oaths and generally do everything possible to aid Assignee, their successors and assigns, to obtain and enforce proper patent protection for the Intellectual Property in the United States, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, their successors and assigns.

WITNESS WHEREOF, Assignor has duly executed this Assignment on the below written date.
