PATENT ASSIGNMENT

WHEREAS, Genelink, Inc., a Pennsylvania corporation ("Assignor") owns all right, title and interest in and to the patents and/or patent applications identified in Appendix B-1 attached hereto, including the inventions described therein and the patents issued and reissued thereon (collectively, the "Patents"), the renewals therefor and all claims for past or future infringement thereof.

WHEREAS, LaCore Enterprises, LLC, a Texas limited liability company ("Assignee"), and Assignor have entered into an Asset Purchase Agreement (the "Agreement") dated December 28, 2017, under which Assignor agreed to sell and Assignee agreed to purchase certain assets of Assignor, including the aforesaid Patents, and the applications and renewals therefor and all claims for past or future infringement thereof.

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, convey and transfer unto Assignee, its successors and assigns, free and clear of any and all liens, restrictions, claims and encumbrances, Assignor's entire right, title, and interest in and to the Patents and divisions, continuations or continuations-in-part thereof, together with all rights of registration, maintenance, and protection thereof in any form, all rights to income, royalties, damages and payments now due or hereafter due or payable in respect thereto, and all rights of recovery and of legal action for past or future infringements and of interference proceedings and reexaminations involving such Patents.

This Assignment is deemed to be executed and delivered within the State of Florida, and it is the intention of the parties that it shall be construed, interpreted and applied in accordance with the laws of the State of Florida without regard to its conflicts of law principles.
