PATENT ASSIGNMENT

WHEREAS, I, **William David Atkins**, a citizen of the United States of America residing at 1445 Bluff Drive, Osage Beach, Missouri 65065, in the United States of America, have invented certain inventions and improvements disclosed in the Patent Application for United States Patent entitled **DESK WITH STABILITY FEATURE**, filed in the United States Patent and Trademark Office on Mar. 13, 2018, bearing Serial No. 15/920,070, and listing as inventor(s): **William David Atkins**;

WHEREAS, **Argosy Console, Inc.**, a Corporation of the State of Missouri, having its principal place of business at 402 Industrial Drive, Eldon, Missouri 65026 is desirous of acquiring an interest in the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, **William David Atkins**, by these presents do sell, assign and transfer unto **Argosy Console, Inc.**, the full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in said application, (ii) in and to said application, (iii) in and to any divisional, continuation, and continuation-in-part applications describing in whole or in part said inventions and improvements, preparatory to obtaining Patents of the United States therefore, (iv) in and to any reissues of the aforementioned, (v) in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from such provisional patent applications; I also hereby acknowledge that an obligation for this assignment and for the assignment of all related subject matter arose before the making of the invention and improvements disclosed and described in said application; and I hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said application, or from a division, continuation, continuation-in-part, or reissue thereof, to **Argosy Console, Inc.** as Assignee, for his or her interest and for his or her sole use and behoof of his or her assigns and legal representatives;

For the same consideration, I, by these presents do sell, assign and transfer to **Argosy Console, Inc.** the full, exclusive and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Patents and similar protective rights granted on said foreign application, and in and to the right to claim any applicable priority rights arising from or required for said foreign application under the terms of

any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of Argosy Console, Inc. and or his or her respective designees, insofar as permitted by applicable law;

AND, for the same consideration, I agree to sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Argosy Console, Inc. and his or her successors, assigns, and nominees to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world; and

for the same consideration, I hereby authorize the insertion of the filing date and serial number above.
