ASSIGNMENT

For valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Q Holdings LLC**, a Delaware limited liability company, having a place of business at 601 West 26th Street, Suite 1762, New York, NY 10001, ("Assignor") hereby assigns, transfers, and conveys and/or has assigned, transferred, and conveyed to **Quirky IP Licensing LLC**, a Delaware limited liability company, having a place of business at 601 West 26th Street, Suite 1762, New York, NY 10001 ("Assignee"), all of Assignor's right, title and interest in and to the patents and pending patent applications identified on Attachment A (the "Patents"), with respect to which and to the extent to which Assignor has or previously had the right to so assign, transfer and convey such rights, including all claims for past infringement, and all divisions, reexaminations, reissues, substitutions, continuations, continuations-in-part and extensions thereof, including the right to file applications and obtain patents, utility models, industrial models and designs for said inventions in its own name throughout the world including all rights of priority, all rights to public cautionary notices reserving ownership of said inventions and all rights to claim and register said inventions in appropriate registries. Assignor has further agreed to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title and interest in Assignee, its successors, assigns and legal representatives.

IN WITNESS WHEREOF, each of the Parties has caused this Assignment to be executed by its duly authorized representatives on the respective dates entered below.

ASSIGNOR
