## WORLDWIDE PATENT ASSIGNMENT

This PATENT ASSIGNMENT (this "Assignment") is made effective as of the 27th day of September, 2012 (the "Effective Date"), from Crown Products & Services, LLC, a Wyoming limited liability company having an address at 12821 East New Market Street, Suite 310, Carmel, IN 46032 ("Assignor"), to CPS Investment Corp., a Delaware corporation having an address at 12821 East New Market Street, Suite 310, Carmel, IN 46032 ("Assignee").

### RECITALS

- A. Assignor is the owner of the Assigned Patents (as defined below).
- B. Pursuant to an Asset Purchase Agreement dated as of the date hereof (the "Asset Purchase Agreement"), by and among Assignor, certain affiliates of Assignor, certain equity owners of Assignor, and Assignee, Assignee has agreed to purchase certain assets of Assignor, including the Assigned Patents.
- C. Assignor desires by execution of this Assignment to assign all of Assignor's rights, title, and interest in and to the Assigned Patents to Assignee, and Assignee desires by execution of this Assignment to accept assignment of all of Assignor's rights, title, and interest in the Assigned Patents to Assignee.

### AGREEMENTS

For valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in consideration of the covenants and agreements set forth herein, Assignor and Assignee mutually agree as follows:

1. Definition of Assigned Patents. The term "Assigned Patents" shall mean the patents and patent applications listed in Appendix A attached hereto and made a part hereof, together with any patents issued as a result of such patent applications, as well as: (a) all rights to claim priority in any Assigned Patents and all rights in and to any and all improvements which are disclosed in any Assigned Patents; (b) any and all patents maturing from a continuation, continuation-in-part, division, reissue or reexamination of any Assigned Patents and regardless of whether such patent matures from a convention or non-convention application, or any other substitution, renewal, extension, addition, utility model or other United States or foreign patent; (c) all renewals thereof; and (d) all rights of action, powers and benefits accrued thereto, including the right to sue for and/or initiate any proceeding to collect damages and payments for past or future infringements thereof.

2. Assignment of the Assigned Patents. Assignor hereby sells, assigns, and transfers to Assignee, its successors and assigns all of Assignor's right and title to and interest in the Assigned Patents, free and clear of all liens and encumbrances and including the right to claim priority in and to the same.

3. Further Assurances. (a) Assignor further agrees to take all reasonable and necessary steps to implement the provisions of the Assignment; (b) Assignor agrees to assist Assignee in the prosecution of any assigned patent applications upon Assignee's reasonable request; and (c) Assignor shall provide Assignee, its successors, and assigns, or their legal representatives, cooperation and assistance at Assignee's reasonable request (including the execution and delivery of affidavits, declarations, oaths, exhibits, assignments, or other documentation) as may be reasonably required in the implementation of this Assignment. Subject to the Kostolitch Claims (as that term is defined in the Asset Purchase Agreement), this Assignment of the Assigned Patents is granted free and clear of all security interests, liens, encumbrances, claims or interests of any kind or nature.

4. Governing Law. This Assignment shall be governed by the laws of the state of Delaware and the federal laws of the United States without giving effect to any rule or provision thereof which would cause the application of the law of any other state.

5. Facsimile Signature; Counterparts. This Assignment may be executed by facsimile delivery or other electronic means (*i.e.*, PDF) of original signatures and in counterparts, each of which shall be considered one and the same agreement, and shall become effective when such counterparts have been signed by each party and delivered to the other party.

IN WITNESS WHEREOF, this Assignment has been duly executed by the parties as of the date first written above.
