**ASSIGNMENT**

WHEREAS, Timothy B. Clise, hereinafter called the "Assignor", is the owner of U.S. Application No. 14/299,456, filed on June 9, 2014, entitled Wireless Electronic Check Deposit Scanning and Cashing Machine With Web-Based Online Account Cash Management Computer Application System; and of U.S. Application No. 13/495,971, filed June 13, 2012, entitled Wireless Electronic Check Deposit Scanning and Cashing Machine With Web-Based Online Account Cash Management Computer Application System; and of U.S. Application No. 10/918,898, filed August 16, 2014, entitled Wireless Electronic Check Deposit Scanning and Cashing Machine With Web-Based Online Account Cash Management Computer Application System;

WHEREAS, United Services Automobile Association (USAA), a Reciprocal Interinsurance Exchange in the State of Texas, having a place of business at 9800 Fredericksburg Road, San Antonio, Texas 78288, hereinafter called the "Assignee", desires to acquire the entire right, title and interest in and to the invention and the patent applications identified above, and all patents which may be obtained for said invention, as set forth below;

NOW, THEREFORE, in consideration of valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the invention and the patent applications identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents issuing therefrom in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other

violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby covenants and agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this agreement.
