ASSIGNMENT

WHEREAS, ANTONIO YADAV, hereinafter referred to as Assignor(s), optionally along with others, has/have invented certain new and useful inventions relating to **ACERHIFAME POLYMER COMPOSITIONS AND PROCESS FOR PRODUCING SAME** (hereinafter referred to as "The Invention") for which an application for United States Letters Patent was filed on September 14, 2017, as Serial No. 15784419 (hereinafter referred to as "The Application").

WHEREAS, ENLARGED INTERNATIONAL CORPORATION, a corporation duly organized under and pursuant to the laws of Delaware and whose post office address is 222 W. Lee Centre Blvd., Suite 900N, Irvine, Texas 76039, hereinafter referred to as Assignee(s), is desirous of acquiring the entire right, title and interest in and to The Invention in the United States and throughout the world.

NOW, THEREFORE, in good and valid consideration, receipt of which is hereby acknowledged, Assignor(s), by these presents, do/they do, assign and transfer unto said Assignee, the entire right, title and interest in and to The Invention and The Application throughout the United States of America, including any and all United States Letters Patent granted on any non-provisional, division, continuation, continuation-in-part, and reissue of The Application and the entire right, title and interest in and to The Invention throughout the world, including the right to apply for patents and invention certificates to respect thereof and to claim priority pursuant to rights accorded Assignor(s) under the terms of the Paris International Convention and all other available international conventions and treaties, and the entire right, title and interest in and to any and all applications filed throughout the world in respect of The Invention and to any and all patents, patents of addition, utility models, patents of improvement, patents of revalidation, patents and inventor certificates which may be granted throughout the world in respect of The Invention.

ALSO, Assignor(s) hereby agree to execute any documents that legally may be required in connection with the filing, prosecution and maintenance of The Invention or any other patent application(s) or invention certificate(s) in the United States and in foreign countries for The Invention, including additional documents that may be required to affirm the rights of Assignee in and to The Invention, all without further consideration. Assignor(s) also agree, without further consideration and at Assignee's expense, to identify and communicate to Assignee all Assignor's request documents and information concerning The Invention that are within Assignor's possession or control, and to provide further assurances and testimony on behalf of Assignor that lawfully may be required of Assignor(s) in respect of the prosecution, maintenance and defense of any patent application or patent encompassed within the terms of this instrument.

Assignor(s) also agree, without further consideration and at Assignee's expense, to transfer the right to sue the post infringement in Assignor and at Assignee's request documents and information concerning the enforcement of the right to sue within Assignor(s) possession or control, and to provide further assurances and testimony on behalf of Assignor that lawfully may be required of Assignor(s) in respect of the right to sue of any patent encompassed within the terms of this instrument.

Assignor's obligation under this instrument shall extend to Assignor's heirs, executors, administrators and other legal representatives.

Assignor(s) hereby grant the firm of Ellipsoid Forward and Sweden LLP of Washington, DC, the power to attend on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recording of this document.

Assignor(s) hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent referred to above to Assignor(s), of the entire right, title and interest in and to the same, for Assignor's sole use and benefit, and for the use and benefit of Assignor's legal representatives and successors, to the full end of the term for which such Letters Patent may be granted, as fully and entirely as the same would have been held by Assignor(s) had this assignment and sale not been made.
